editor's NOTE

HERE COMES SUMMER 2014!

EDITOR'S *note*

This month, ***PREVIEWS*** celebrates the blockbuster movies we all love to check out each summer, many spawned from our favorite comics, graphic novels, and toy lines. This year's crop of Blockbusters is sure to please even the most finicky of fans. Beginning in May, right around *Free Comic Book Day 2014*, we've got Sony's *Amazing Spider-Man 2* leading the charge into summer. After that, we have plenty to look forward too…

Godzilla (5/16), *X-Men: Days of Future Past* (5/23), *Maleficent* (5/30), *Edge of Tomorrow* (6/6), *Transformers 4: Age of Extinction* (6/27), *Dawn of the Planet of the Apes* (7/11), *Jupiter Ascending* (7/18), *Hercules: The Thracian Wars* (7/25), *Guardians of the Galaxy* (8/1), *Teenage Mutant Ninja Turtles* (8/8), *The Expendables 3* (8/15), *Sin City: A Dame to Kill For* (8/22) and plenty more into the fall and winter months!

I'm psyched to see *Spidey 2* and *X-Men*, but my real "must-see" this summer is Legendary Pictures' *Godzilla*. This one looks like it is going to exceed all of my expectations… and if the trailers are any indication I think they finally got this right. This is going to be light years better than 1998's Dean Devlin/Roland Emmerich film starring Ferris Bueller… which I always thought was a decent monster flick, but a lousy *Godzilla* movie.

Also in this issue, we've got an exclusive interview with Valiant Comics' own Freed Pierce, who is very excited about their upcoming *Armor Hunters* crossover, and the return of Chromium covers for this event. You can find it on the FlipSide of this issue!

So, as we enter this gateway to summer month of May, be sure to check out some movies, visit your comic shop often, and keep ***PREVIEWS*** handy!

Your Pal @ ***PREVIEWS***,

Marty

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sec-tions: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are **3** simple ways to order:

PREVIEWS
STAR WARS
DARTH MAUL

1. **Use the Short Order Form.**
   Fill in with the items you'd like to order from this issue.

2. **Ask for the companion Customer Order Form.**
   We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic shop by the due date on the cover!

3. **Ask your retailer about their "Pull & Hold" service.**
   Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month

The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

SPOTLIGHT ON

Spotlight On

These items are not to be missed; highlighted to get your attention.

Previews Exclusive

These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month

These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)

These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.
Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

In 1967, television history was made when two masked crime fighters met in a historic crossover. Now, superstar filmmaker Kevin Smith and actor/comedian Ralph Garman join forces with artist Ty Templeton (BATMAN '66) to bring these two iconic characters and their famous partners together again. Set in the continuity of that earlier team-up, Batman, The Green Hornet, Robin and Kato must go up against a very different General (formerly Colonel) Gumm. What crime could be so deadly as to force these rivals to put aside their differences and join forces again? And what surprise does Gumm have up his sticky sleeve?

Harlan Ellison, science fiction's brightest luminary, has joined forces with multi-award-winning artist Paul Chadwick, creator of *Concrete*, and colorist Ken Steacy, to bring you 7 AGAINST CHAOS, a graphic novel that is singular, powerful and unpredictable. This extraordinary odyssey of mystery and adventure will take you to the rim of reality and beyond.

In a distant future, Earth is in grave danger: The fabric of reality itself is unraveling, leading to catastrophic natural disasters, displaced souls appearing from bygone eras, and sudden, shocking cases of spontaneous combustion. The only hope for Earth's survival is a force of seven warriors, each with his or her special abilities. But can these alien Seven Samurai learn to get along in time to find the source of the gathering chaos and save all of reality?

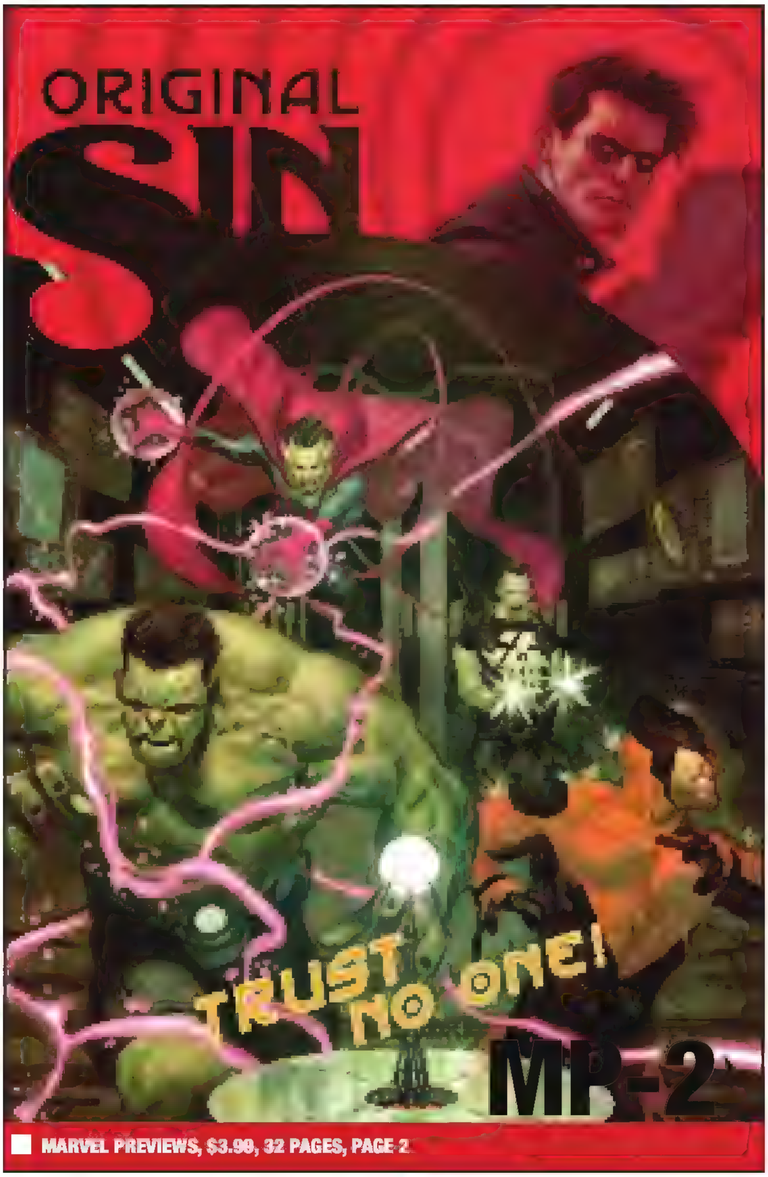
THE HUNT FOR THE WATCHER'S MURDERER RAMPS UP IN JUNE



MARVEL PREVIEWS, $3.99, 32 PAGES, PAGE 2

The hunt for Uatu the Watcher's murderer continues in June with the next two chapters of Marvel Comics' blockbuster event, *Original Sin!*

For long aeons, the Watcher had seen all, had known all. But now the Watcher is dead, his eye is stolen, and his secrets are gone. Someone is revealing those secrets, using them to neutralize the investigation into the Watcher's death, and now Nick Fury finds himself alone on the trail of a very dangerous foe while the Winter Soldier finds another death to investigate!

Jason Aaron and Mike Deodato continue the Marvel Universe's most important murder mystery in June's *Original Sin* #3 and #4. The revelations come fast and furious, including the biggest revelation thus far — the identity of the secret mastermind, the one who planned the attack on the Watcher and his treasure trove of secrets!

Like the best mysteries of Doyle and Christie, Stout and Chandler, much more will be revealed than just "whodunnit." Those investigating the Watcher's death will pit their lives and reputations against their desire for justice, and for some they stand to lose a great deal.

The greatest secrets of the Marvel Universe are at hand as *Original Sin* continues this June!

AS MORE SECRETS ARE REVEALED, THE SEARCH FOR UATU'S KILLER IS IMPEDED IN JUNE'S ORIGINAL SIN #3!

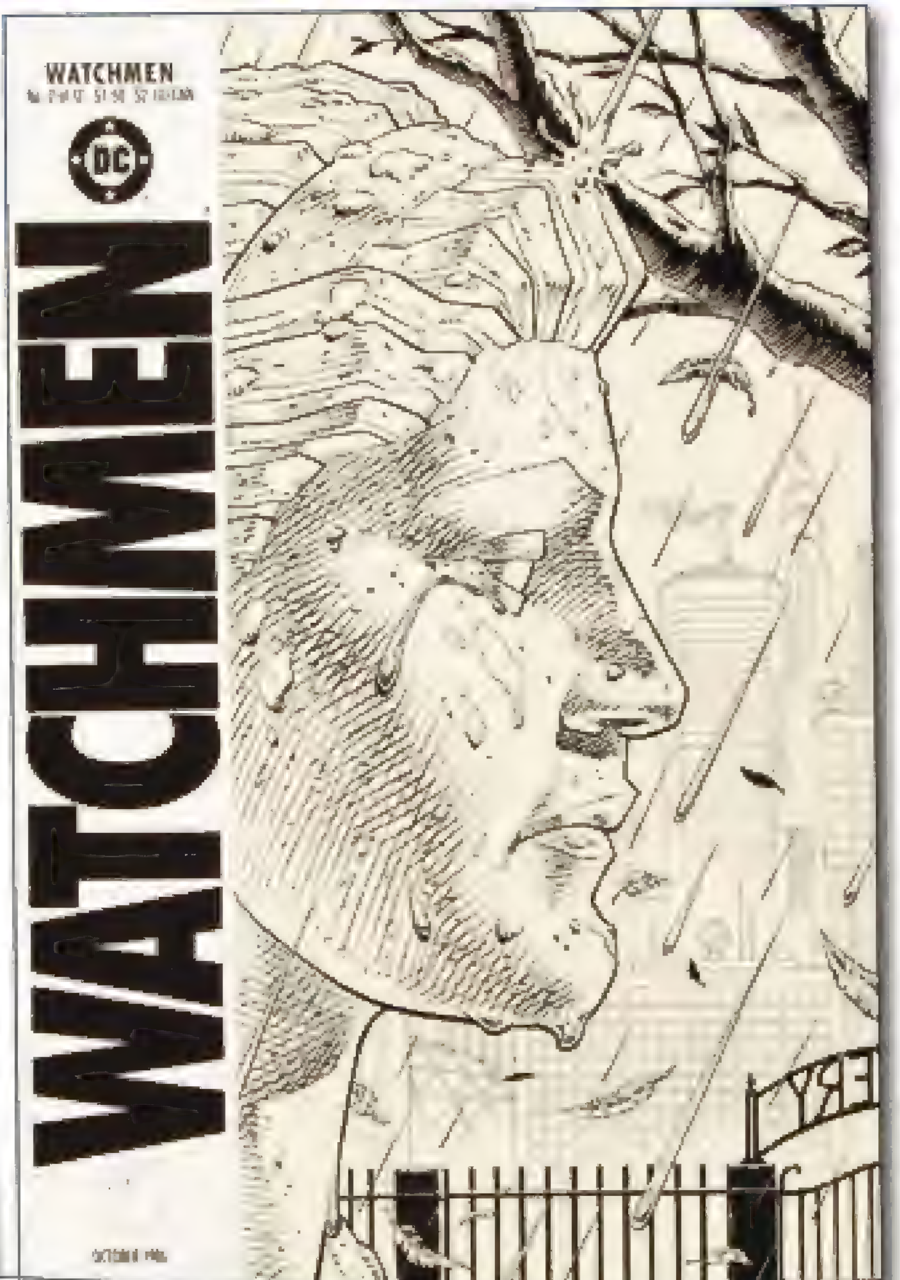
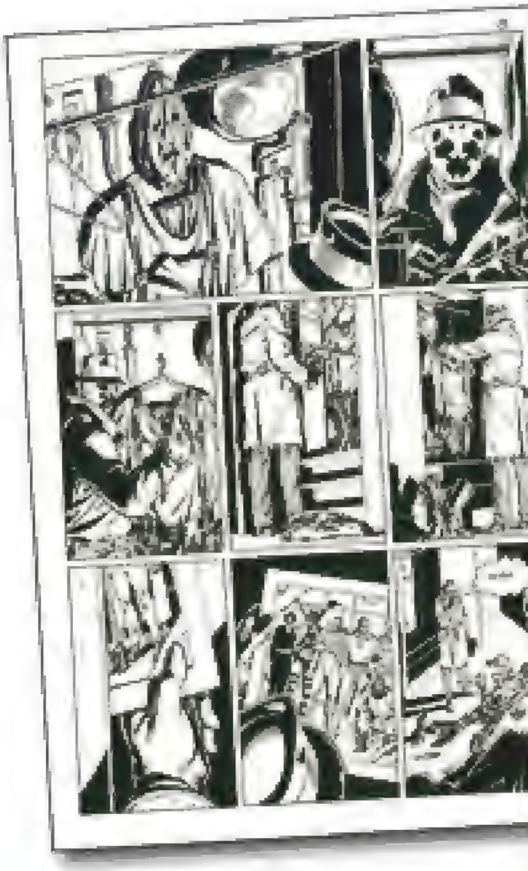
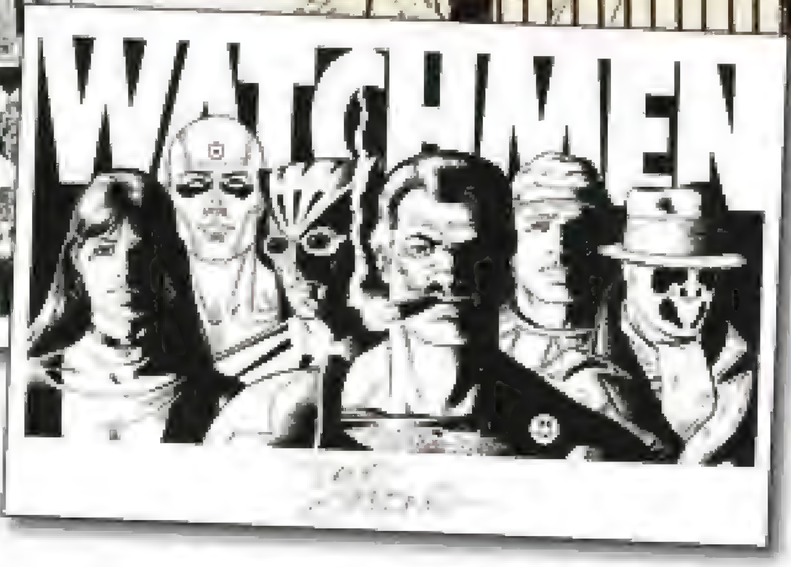
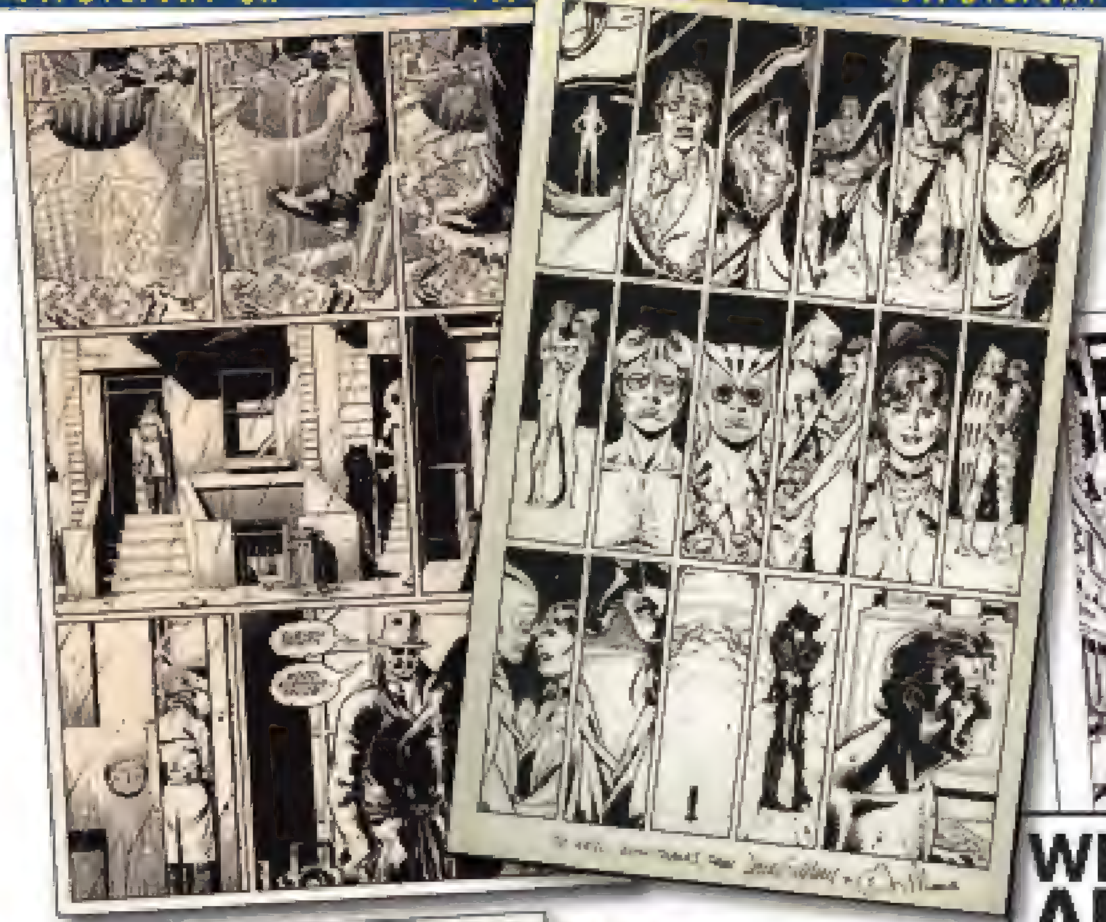
Watchmen has been called the greatest graphic novel of all time. **Alan Moore** and **Dave Gibbons** created a story and graphic narrative unlike anything that preceded it, and revitalized the entire art form that followed. It is the one book that nearly all comics readers know inside and out… or so you thought! Now, with the full assistance and cooperation of **Dave Gibbons**, comes *Dave Gibbons Watchmen: Artifact Edition*, crammed full of high resolution scans shot directly from Gibbons' original art. This is the closest most of us will ever come to seeing original art from this legendary graphic novel!

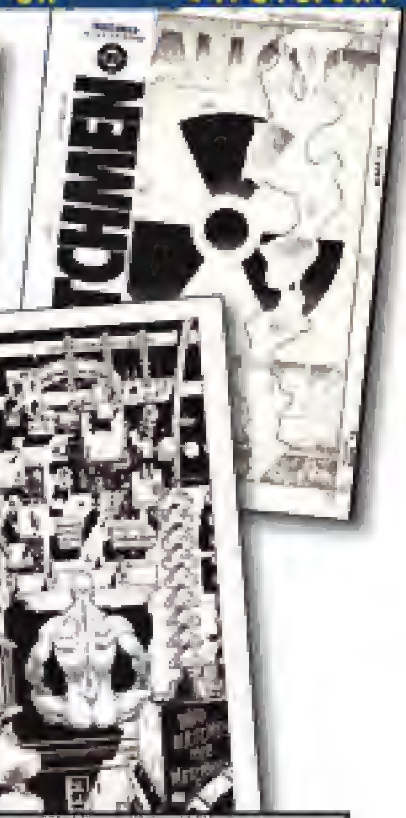






DC COMICS™





WHAT IS AN ARTIFACT EDITION?

LIKE AN ARTIST'S EDITION, AN ARTIFACT EDITION PRESENTS PAGES SCANNED FROM THE ACTUAL ORIGINAL ART. While the Artist's Edition line produces only complete stories, Artifact Editions allow IDW to present books even if all of the original art cannot be obtained, and will include extras such as advertisements, portfolio pieces, cover guides and more. While appearing to be in black & white, each page has been scanned in COLOR to mimic as closely as possible the experience of viewing the actual original art – for example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, art corrections. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.

IDW ADAPTS HARLAN ELLISON'S ORIGINAL *STAR TREK* SCRIPT IN A NEW MINI-SERIES

Harlan Ellison, one of science-fiction's legendary writers, wrote the first draft script of *Star Trek's* "City on the Edge of Forever," which went on to win the Hugo and Writer's Guild Awards. The rewrites of his script were legendary, and Ellison and *Star Trek* creator Gene Roddenberry engaged in a war of words over the decades over who was responsible and why the script was unsuitable. The original script has been published, and now IDW Publishing adapts the original script to comics in a five issue mini-series, *Star Trek: Harlan Ellison's City on the Edge of Forever: The Original Teleplay*.

The creative team from the best-selling *Star Trek: The Next Generation/ Doctor Who: Assimilation* ^{2} reteams for this adaptation. Scott and David Tipton adapt the script, and J.K. Woodward provides the painted artwork. Readers will meet Beckwith, the dealer of the "*Jewels of Light*," as well as Ellison's original conception of Edith Koestler and Trooper, a character that Ellison considered one of the most important in his script.

Fans will discover a real slice of Star Trek history as IDW publishes *Star Trek: Harlan Ellison's City on the Edge of Forever: The Original Teleplay* this summer!

ELLISON'S LEGENDARY ORIGINAL FIRST DRAFT OF "CITY ON THE EDGE OF FOREVER" IS ADAPTED TO COMICS BY THE CREATIVE TEAM BEHIND THE STAR TREK/DOCTOR WHO CROSSOVER!

TWELVE GODS REINCARNATE ON EARTH FOR TWO YEARS OF YOUTH IN *THE WICKED + THE DIVINE*

Together, Kieron Gillen and Jamie McKelvie have created some of the most acclaimed comics of the last decade. In *Phonogram*, they explored what it was like to be young. In *Young Avengers*, they explored what it was like to be young and powerful. Now, they have a new series from Image Comics, *The Wicked + The Divine*, and it's something fans of their previous work will want to check out!

Every ninety years, twelve gods are reincarnated on Earth as teenagers. Their souls are immortal, but their bodies are not. In two years, the bodies will wear out and they will die. But for those two years, everything is possible. Life can be lived as fast and as thoroughly as can be imagined. And then it all ends, until the next cycle.

The twelve gods have been reincarnated. And everything becomes possible again in Gillen and McKelvie's *The Wicked + The Divine*, coming from Image Comics this June!

THE *WITCHFINDER* IS ON THE HUNT FOR MYSTERIOUS CREATURES

Twenty years ago, Mike Mignola's *Hellboy* began with just a single mini-series about a paranormal detective, and as the years have passed the series has expanded to include a team-up book in *B.P.R.D.*, pulp heroics with *Lobster Johnson*, superheroics from *Sledgehammer 44*, and English sitting room horror in *Witchfinder*. The 19th-century spiritualist Edward Grey, the Witchfinder, returns this June in a new five-part mini-series, *Witchfinder: The Mysteries of Unland!*

Horror writer Kim Newman, perhaps best known for his series of *Anno Dracula* novels, is the perfect writer to pen this chapter in the broader *Hellboy* mythos. A skeptic by nature, Grey is sent to Hallam to unravel the mystery surrounding an unexplained death, and he soon discovers that there is something in the marshes beyond the town, something the locals call "Unland," a place where monsters dwell and yearn to be free.

Newman is joined by co-writer Maura McHugh and artist Tyler Crook for a tale of 19th-century English horror, and *Witchfinder: The Mysteries of Unland* is a book no Mignola fan will want to miss!

Aron Wiesenfeld makes paintings and charcoal drawings in which he evokes a reality that is at once familiar and mysterious. These poetic and carefully composed fragments are windows into an autonomous world that continues off the edges of the canvas. They trigger stories in the imagination that can take the shape of fairy tales, or more complex forms, questioning modern day alienation. References to art history, mythology, and pop culture converge without hierarchical order amid the cluttered remainders of manufactured landscapes, or baroque scenes of nature in glorious overgrowth. The people that populate his work embark on secret errands into veils of falling snow and twilight. His works have a restrained and focused tone, inviting contemplation of this intimate space, silent but for murmurs of the ominous.

ARON'S WORK HAS APPEARED IN *JUXTAPOZ, HI-FRUCTOSE, THE HUFFINGTON POST,* AND MANY OTHER PLACES.

Meet Greg Pincus–the planet's brand-spanking-newest Superhero. One small problem: Greg is neither super, nor particularly heroic. But, he's sure enjoying the perks that accompany the world's misconception. Can Greg successfully navigate a celebrity-obsessed culture without revealing his secret shame? Will his hirsute best friend/roommate (Barry) ever stop making things worse? Will the League of Defenders quit sniping long enough to battle evil? And, most importantly, will Greg's Mother–June–ever be freakin' satisfied?

"A LAUGH OUT LOUD EXPLORATION OF SUPERHERO AND SUPEREGO." –GEORGE R.R. MARTIN

JEFF KLINE (TRANSFORMERS: PRIME, G.I. JOE: RENEGADES) PENS THIS SERIO-COMEDIC TAKE ON A RELUCTANT HERO, AND CONTEMPLATES WHAT IT MEANS TO BE "SPECIAL" IN A WORLD WHERE FAME CAN COME AND GO FASTER THAN A SPEEDING BULLET. COLLECTS ISSUES #1–4.

ENTER THE FORGOTTEN REALMS WITH THE NEW DUNGEONS & DRAGONS MINIATURES GAME

What begins as a weekend of LARPing to take a young man's mind off a painful break-up turns into a nightmare of epic proportions when a spellbook bought on eBay summons a succubus in the film *Knights of Badassdom!* The fantasy comedy stars a list of names familiar to genre fans — Peter Dinklage (*Game of Thrones*), Summer Glau (*Firefly*), Danny Pudi (*Community*), and Steve Zahn. It's an epic adventure in *Knights of Badassdom!*

NARUTO JOINS TAMASHII'S S.H.FIGUARTS ACTION FIGURE LINE

Tamashii Nations expands their popular line of S.H.Figuarts figures this summer with one of anime's most beloved characters, Naruto!

Based on his appearance in Naruto Shippuden, the Naruto S.H.Figuarts figure features an impressively accurate sculpt and comes with accessories including Naruto's Rasengan. The figure also has additional hand parts, allowing you to create any number of action poses with closed or open martial arts hands.

The result is a figure that no fan of Naruto will want to miss. Look for Tamashii Nations' Naruto S.H.Figuarts figure this summer!

RED CITY #1

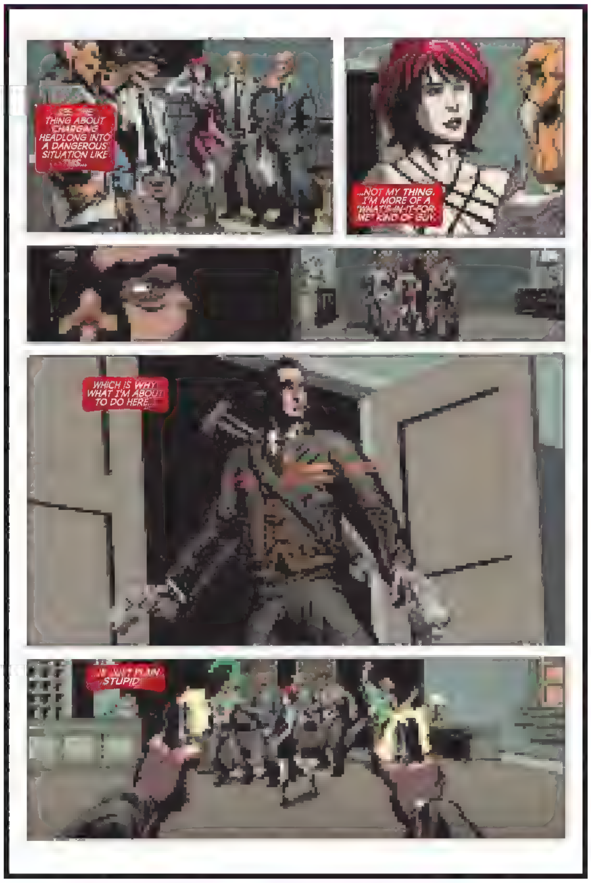
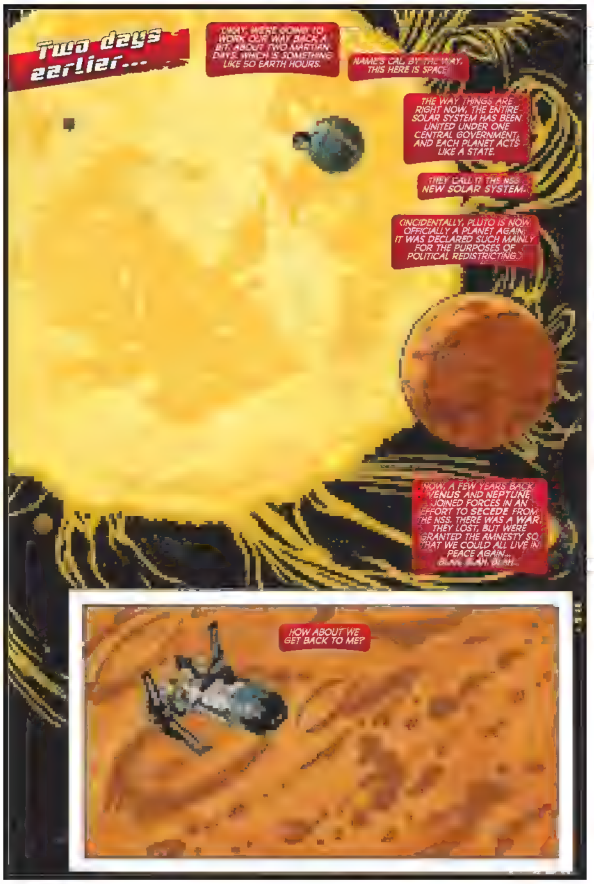
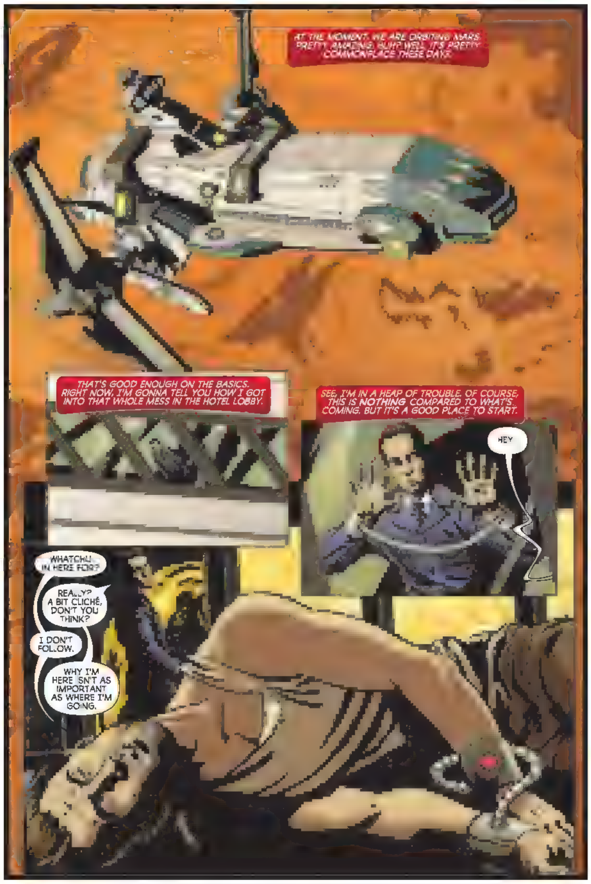
Now.
I'VE NEVER BEEN ONE TO RUSH INTO A FIGHT.
I MEAN, I'VE GOTTEN INTO A TON OF FIGHTS. I'VE SPENT MY WHOLE LIFE FIGHTING... BUT I DON'T PICK THEM. THEY FIND ME.
THAT'S NOT ME, BY THE WAY. THAT'S ANGEL.
DON'T WORRY, FELLAS. YOU'LL GET TO KNOW HER A LITTLE BETTER LATER ON.



SEE, THE THING ABOUT CHARGING HEADLONG INTO A DANGEROUS SITUATION LIKE THIS...
...NOT MY THING. I'M MORE OF A "WHAT'S-IN-IT-FOR-ME" KIND OF GUY.
WHICH IS WHY WHAT I'M ABOUT TO DO HERE...
...IS JUST PLAIN STUPID.



Two days earlier...
OKAY, WE'RE GOING TO WORK OUR WAY BACK A BIT. ABOUT TWO MARTIAN DAYS, WHICH IS SOMETHING LIKE 50 EARTH HOURS.
NAME'S CAL, BY THE WAY. THIS HERE IS SPACE.
THE WAY THINGS ARE RIGHT NOW, THE ENTIRE SOLAR SYSTEM HAS BEEN UNITED UNDER ONE CENTRAL GOVERNMENT, AND EACH PLANET ACTS LIKE A STATE.
THEY CALL IT THE NSS. NEW SOLAR SYSTEM.
(INCIDENTALLY, PLUTO IS NOW OFFICIALLY A PLANET AGAIN. IT WAS DECLARED SUCH MAINLY FOR THE PURPOSES OF POLITICAL REDISTRICTING.)
NOW, A FEW YEARS BACK, VENUS AND NEPTUNE JOINED FORCES IN AN EFFORT TO SECEDE FROM THE NSS. THERE WAS A WAR. THEY LOST, BUT WERE GRANTED THE AMNESTY SO THAT WE COULD ALL LIVE IN PEACE AGAIN... BLAH, BLAH, BLAH...
HOW ABOUT WE GET BACK TO ME?



AT THE MOMENT, WE ARE ORBITING MARS. PRETTY AMAZING, HUH? WELL, IT'S PRETTY COMMONPLACE THESE DAYS.
THAT'S GOOD ENOUGH ON THE BASICS. RIGHT NOW, I'M GONNA TELL YOU HOW I GOT INTO THAT WHOLE MESS IN THE HOTEL LOBBY.
SEE, I'M IN A HEAP OF TROUBLE, OF COURSE. THIS IS NOTHING COMPARED TO WHAT'S COMING. BUT IT'S A GOOD PLACE TO START.
HEY
WHATCHU IN HERE FOR?
REALLY? A BIT CLICHÉ, DON'T YOU THINK?
I DON'T FOLLOW.
WHY I'M HERE ISN'T AS IMPORTANT AS WHERE I'M GOING.

FROM THE CRITICALLY ACCLAIMED CREATOR OF MINIATURE JESUS.

By the time most people realized it, they were no longer in charge of the world we know. In an unspecified future, the small seaside town of Blackwater has now been taken over by advanced and mutated animals. Most of the humans that lived there are now either dead or gone, but one old-man remains, scavenging off the scraps and refuse of humanity's past, and doggedly defying the new tenants.

LINK'S ADVENTURES CONTINUE WITH A NEW FIGURE FROM DARK HORSE 80

Among gamers, Link is a name spoken with hushed reverence. The star of Nintendo's long-running and immensely popular *Legend of Zelda* franchise, Link has evolved over the years from 8-bit sprite to his more realistic and cel-shaded styles. Dark Horse Comics has created the new *Legend of Zelda: Twilight Princess -- Link Figure*, a new sculpted 10" figure with a display base that recreates the beloved hero as he appears in the *Twilight Princess* game!

SUPERMAN SOARS WITH SHANE DAVIS' *MAN OF STEEL* STATUE 153

DC Entertainment continues their acclaimed *Superman: The Man of Steel* line of statues with a new statue based on Shane Davis' artwork from the best-selling *Superman: Earth-One* graphic novel by J. Michael Straczynski. Davis' Superman is in flight and ready for action, and he comes on a Superman-shield based. Limited in production, the statue stands 8 1/4" tall and will look fantastic in any Superman fan's collection!

FIREFLY SAILS AGAIN WITH FUNKO'S NEW REACTION FIGURES 455

Funko has brought the 3 3/4" scale action figure to franchises that never had this classic figure style during their original runs with their new *ReAction Figures!* Among those franchises is Joss Whedon's beloved sci-fi series *Firefly!* This figures of Mal Reynolds, Zoe, Wash, Kaylee, and Jayne have a vintage style and come on classic blister card packaging. *Firefly* gets the action figures it always deserved, and Browncoats have a new collectible to add to their collections with the Firefly ReAction Figures!

WELL THAT WAS EXCITING. ALWAYS NICE TO GET THE COUNTERPOINT
HAHAHAHA!
I'LL TAKE ANY REAL QUESTIONS NOW
IS THERE CONCERN THAT THIS MIGHT SPREAD UNCONTROLLABLY ONCE USED BY ACTUAL FARMERS?
WATCH YOUR HEAD
OR DON'T
YOU GUYS ARE WORKING AMERICANS. JUST LIKE ME. DO YOU REALLY WANT YOUR CHILDREN EATING STUFF THAT MIGHT KILL THEM?
THAT'S A PROBLEM ABOVE MY PAY GRADE
THAT'S WHY WE HAVE THE FDA
THERE IS NO CONCERN FOR THE SPREAD THAT WAS SEEN WITH THE GE CORN CROPS. THIS PROCESS ONLY WORKS WITH SPECIALLY ENGINEERED SEEDS.

BANDAI'S BATMAN SPRUKITS ARE MODELS WITH THE STYLE OF FIGURES

451

Bandai introduces a new concept to modeling -- the SpruKits line! These models feature a snap together construction from pre-colored molded parts that require neither paint nor glue to complete, and when finished the model has all of the detail and articulation of an action figure. DC Comics' Batman is part of the debut line-up of SpruKits, available in three different levels of complexity! Get started with the quick-building *SpruKits DC Level 1 Model Kits*, build something more complex with the *SpruKits DC Level 2: Batman "The Dark Knight Returns" Model*, then go for the ultimate with the *SpruKits DC Level 3: Batman Arkham Model!*

TITAN'S NEW *DOCTOR WHO* FIGURES SPOTLIGHT THE TENTH DOCTOR

(CA) Gisele Lagace

We are very excited to present Archie Comics' debut title in the cartoon diary genre! Betty Cooper is embarking on her first year of high school. It's sure to be filled with ups and downs, but with her trusty diary by her side, she'll be able to get through it all. She's a smart girl with a kind heart, so her freshman year should be easy-peasy, right? Well, throw in some major BFF drama with her longtime pal Veronica Lodge and things get off to a rocky start. Veronica's rich, ruthless and snobby-the total opposite of Betty. And in high school where social status means everything, Betty and Veronica can't be the same besties they once were. Everyone's favorite girl-next-door is diving head first into her high school career and extracurricular activities-from dog training to peer mediation to BMX competitions, Betty Cooper can do it all-but can she get by without a little help from her friend? Find out in this heartwarming tale of the scariness that is starting high school in Archie's first-ever venture into the hugely popular journal series, with *Diary of a Girl Next Door: Betty.* (STK641061)

CROSSED VOL 9

TPB Cover: Fernando Heinz
HC Cover: Gabriel Andrade
MR, Color, 176 pages

Writers: Daniel Way, Simon Spurrier - **Art:** Emiliano Urdinola, Gabriel Andrade

ABOUT: Two very different Crossed scribes open new wounds in the miserable world of the Crossed! Daniel Way introduces a naval captain and his crew as they attempt to survive the plague of insanity spreading across the globe in "Grave New World." He's a shrewd man and watching the monsters has given him an insightful plan for saving those in his charge. But whether it is inspiration or insanity, the crew still faces the gleeful misery of the Crossed. And Simon Spurrier returns to tell a tale set in the infected outback. Todd drives a road train through the desolate Australian desert. Before C-day he was a loser, an outcast, a fat nobody with a nobody-job. Now he's an Emperor of the wasteland. His rig and its trailers are the safest place around: stocked to the brim with canned food and gasoline. But his desire to have a harem who worship him opens himself up to the true horrors of the outback. Spurrier brings his trademark flare for developing intricately flawed characters to a story that will haunt your dreams for years to come. In a world of Crossed...there is no hope and there is no help. There is only the Crossed. This volume collects Crossed: Badlands #44 – 49 and the Crossed Special 2013. Also available in Hardcover.

CROSSED: BADLANDS #55

Reg Retail Price: $3.99
Writer: Garth Ennis
Cover & Art: Christian Zanier
MR, Color, 32 pages

IN STORES JUN 11

ABOUT: In this penultimate issue of "The Thin Red Line" we trace the steps of C-Day, the horrific event that turned the planet into a charnel house. As the last vestiges of the global governments attempt to identify and contain the rapidly spreading plague, a group of soldiers are sent on a desperate mission to avoid nuclear Armageddon in the middle of what appears to be the End of Days. Crossed fans have waited over five years for this story... to finally have some glimpse at the cause of the outbreak. But be warned...once you see these images of depravity, you can't unsee them... no matter how badly they scar you. Available with Regular, Torture and Red Crossed Incentive covers by Christian Zanier, a Fatal Fantasy cover by Matt Martin and a Wraparound cover by Gabriel Andrade.

GOD IS DEAD #14

Reg Retail Price: $3.99
Cover: Jacen Burrows
Writer: Mike Costa
Art: Omar Francia

MR, FC, 32pp, 2x monthly

ABOUT: Jesus has risen and walks among us again. But thousands of years of recounting the stories of the Bible won't prepare mankind for the truth about the All Powerful. MIKE COSTA pushes the limits of sanity in the world of JONATHAN HICKMAN's divine war. Sacrilege and blasphemy are the order of the day as the human race attempts to cope with the true intentions of God returned. Available with a Regular, End of Days, and Iconic covers by Jacen Burrows, a Carnage Wraparound cover by German Nobile, and a special Gilded Retailer Incentive Cover also by Burrows.

MR, FC, 32pp, 2x monthly

ABOUT: Mankind prayed for salvation. As the gods of mythology fought and destroyed around them, they hoped and spoke in hushed tones of the return of the Christian God. Jesus was the savior of the human race and he would return to do so again. Or so they believed. Now the Son of God has come back but the images of his gentle touch are absent. Join the ranks of the blasphemous as MIKE COSTA delivers a story that will take you screaming into the pits of Hell. LOVE & CAPES: THE COMPLETE COLLECTION

IDW Publishing

Back in the May 2006 ***PREVIEWS***, Maerkle Press offered the first issue of a comic that became one of my favorite indie titles, *Love & Capes*. While it appeared to be a humorous take on the Lois & Clark relationship, creator Thom Zahler gave so much more with Abby & Mark (superhero, aka The Crusader). After a while, Thom moved away from self -publishing *Love & Capes* under Maerkle Press, and the book found a new home and new readership at IDW Publishing.

After wrapping up the current mini-series, *What to Expect*, the *Love & Capes* universe of Abby, Mark, Darkblade, Amazonia, and their friends went on hiatus. This is now the perfect time for IDW Publishing to offer *Love & Capes:The Complete Collection*, over 600 pages of Abby & Mark from their first date through marriage and parenthood. Zahler takes all the nuances of secret and not-so-secret identities, super hero groups, super friends and friendships, pregnancy and super beings and mixes those comic book staples with humor, and giving a unique perspective to super heroes that didn't require reboots or brand new days.

While Thom is taking his break from Abby & Mark, I'm hoping he returns, maybe at his traditional FCBD timeframe with new stories as there needs to be stories dealing with first teeth, first steps, first day at school and maybe one day first date and driving lessons. Abby & Mark welcome to the world of parenting your life is never the same and never just yours alone.

In the meanwhile, I'll have *Love & Capes:The Complete Collection* to allow me to reread these fun stories.

~ Steve Leaf

> WHY WE LOVE IT

There's nothing scarier than horror that hits home—a tale of terror only one or two steps removed from our reality. *THE EMPTY MAN* is a dystopic version of the world we know, where a terrifying disease has taken on almost deific connotations.

> WHY YOU'LL LOVE IT

Cullen Bunn (*THE SIXTH GUN*, *VENOM*) and Vanesa R. Del Rey (*HIT*) are two of the most exciting talents in the industry, and deliver a pitch perfect crime procedural for fans of "J-Horror" like *THE RING* or *THE GRUDGE*.

> WHAT IT'S ABOUT

It's been one year since the first reported case of the Empty Man disease, and no drug has been able to slow its progress. The cause is unknown, and the symptoms include fits of rage, hideous hallucinations, suicidal dementia, followed by death, or a near lifeless, "empty" state of catatonia. As murder cults rise nationwide, the FBI and CDC enter a joint investigation of the Empty Man, hoping to piece together clues to stop the cult and uncover a cure.

> WHY WE LOVE IT

BIG TROUBLE IN LITTLE CHINA is one of our favorite cult-classic films because it mashed together '80s action and supernatural fantasy movies with '70s kung-fu flicks. This is the first time any new *BIG TROUBLE* stories have been officially told, and we have the film's original director, John Carpenter, working with Eric Powell (*THE GOON*) on the story. You can't beat that!

> WHY YOU'LL LOVE IT

Eric Powell is a huge fan of *BIG TROUBLE IN LITTLE CHINA*, so the sense of humor and over-the-top action he brings to *THE GOON* will be all over this book. Trust us. Brian Churilla's (*THE SIXTH GUN: SONS OF THE GUN*) art on this is all kinds of fun.

> WHAT IT'S ABOUT

Jack Burton, a macho, truck-driving adventurer, finds a stowaway hiding on his rig, The Pork-Chop Express, but that soon becomes the least of his troubles. He helped his best friend Wang save his fiancée from the clutches of a demon, but now the wedding has been invaded by more evil forces with one thing on their minds—revenge against Jack Burton!

> WHY WE LOVE IT

Bringing readers great books from new talent has always been close to our hearts here at BOOM! Studios. Chris Miskiewicz and Palle Schmidt have created a warlock for these modern times, and we're delivering them to the best audience in comics!

> WHY YOU'LL LOVE IT

Fans of John Constantine and Dr. Strange will love this new take on the magic-wielding hero who battles demons on the streets... and in his own mind. Thomas has money and fame, but also the burden of being this generation's occult warrior. Can he survive the battles both within and without?

> WHAT IT'S ABOUT

Thomas Alsop is the current "Hand of the Island," a title passed down from generation to generation. He guards Manhattan from evil, using his family's prowess for magic. Being a thoroughly modern warlock, he deals with something even more evil than demons... reality television!

DRAGOON

SRP: $130.00

Release
AUGUST 2014

THE HEROES OF FINAL FANTASY REIMAGINED BY PLAY ARTS KAI CRAFTSMANSHIP!

DRAGOON
The Dragoon Knight is one of the most iconic roles in the FINAL FANTASY series, appearing in numerous titles within the franchise. Now we bring you a Dragoon Knight with a brand-new look, re-imagined in the style of our Variant action figure line! His inner suit is embellished with the texture of a dragon's scales, and his outer armor has a smooth and streamlined design. Wielding his spear with ease, the Dragoon's muscles are structured to have the resilience and movement befitting a knight who soars through the air like a dragon — With the beautiful contrast of the outer armor's metallic sheen and the matte paintwork of the inner suit, this figure is sure to move the heart of collectors.

Figure includes accessory parts such as lance, sword, sheath, clawed sheath clasp, exchangeable hands and figure display stand.

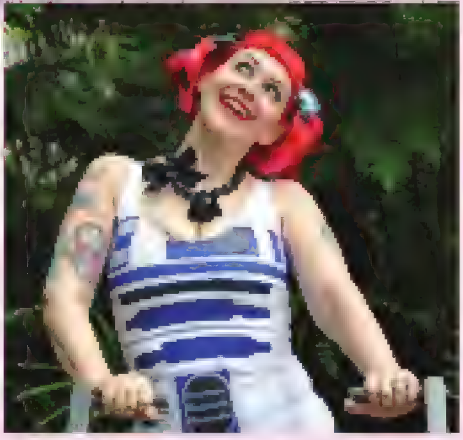
Holly G!'s SCHOOL BITES

"NIGHT CLASSES, PART ONE: JUST DESSERTS"

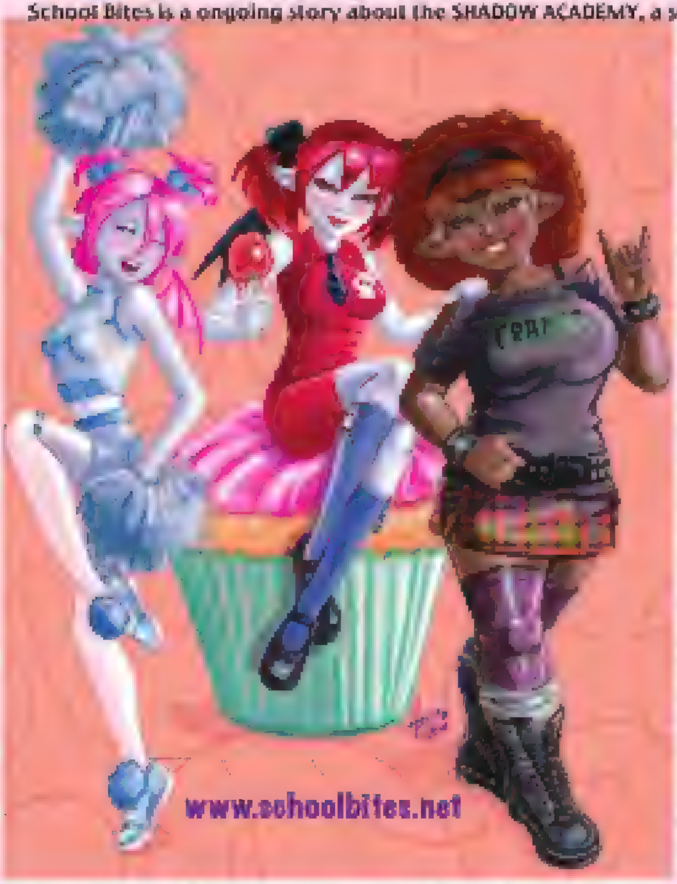
An Interview with Holly G!

Q.Tell me a little bit about yourself, your involvement in the Comic Book Industry, and your current project SCHOOL BITES.

A. Hi, My name is Holly Golightly, I go by Holly G!– just to save confusion. I've been working as a Comicbook artist creator for nearly 20 years now. I've written & drawn such titles as, Sabrina the teenage Witch, Josie & the Pussycat and Cheryl Blossom .



In the year 2000, I joined with my husband, Jim Balent who drew Catwoman for DC Comics (1993–1999) to start our own Company, BroadSword Comics! There Jim creates Tarot, Witch of the Black Rose and I, School Bites!
Tarot is an Adventure Fantasy for Grown-Ups where SCHOOL BITES is a Manga Comedy Romance geared to 13 and up.. .buuut I DO have a lot of grown men enjoying the project!– I describe it as a cross between Harry Potter and a John Hughes movie with fangs!
School Bites is a ongoing story about the SHADOW ACADEMY, a school that teaches young vampires how to drink responsibly.



Q. You're a very passionate comics creator and that comes through in many of the series that you have created. What sets SCHOOL BITES apart from other types of comics? What kind of positive messages does your series contain and why do you think that new readers should pick up the new chapter as well as the backlist of SCHOOL BITES comics being offered in the APR14 Previews catalog?

A.SCHOOL BITES is a very personal project. I do say that Harry Potter and Annie Rice are BIG inspirations...but truth being know, my work is very biographical. I did go to a British High School, all my characters are in some way inspired by high school/ art school/ college classmates, friends and family– oh and since I saw my first Hammer Movie, I wanted to BE a vampire! . So I believe that the Reader does pick up on it's honesty. Also being a woman, I feel very strongly about sharing the adventures of growing up a gal–from a gal's true perspective. Almost all my characters ARE gals...All shapes, sizes, colours and backgrounds... I grew up in New York City, my experiences in theatre, fashion industry, museums and teaching there all reflect in my stories & art! I believe that's what makes it very different, from most other comics, how personal it is. Not to say it ain't FUNNY– cause it IS! AND that's part of my message! I find SO much violence, and boohooing in the entertainment today, I wanted to share some love, friendship and search for self but with a lot of cupcakes –OH and pretty snazzy clothes...Yes, my Vampires eat cupcakes.

Q. SCHOOL BITES is a fun (and at times heartwarming) manga-style comic about a wonderful group of friends and their romantic adventures! What inspires, and continues to inspire, you to create your series? What direction do you see the series going and why should new and old readers stay on-board.

A. Thank You! Heartwarming is definitely a good thing to be on the menu! What inspires me? Crazy or not, sometimes I fancy myself the Headmistress of the SHADOW ACADEMY, and wish to impart whatever wacky wisdom I've cultivated in the years I've been skipping down the yellow brick road of life–
I hope that my stories make people say, " Hey I'm like that!" and they feel a little less alone...and a little more loved.
This latest chapter, "Night Classes: part one Just Desserts" is a bridge in my story. I'm sewing up some loose ends, we'll see some characters leave and some new ones arrive and a gateway to some new outta sight adventures for my Girls!

Q. Lastly, is there anything else that you would like to say about yourself, the SCHOOL BITES series?

A. Yes! This is School Bites 10 years anniversary– YAY!!!! And I'm pretty chuffed about that! If you haven't entered the SHADOW ACADEMY as yet– I do hope you join us. You'll be welcomed with happiness, hope, hugs and warm cookies.

ALONE VOLUME 1: THE VANISHING GN

(W) Fabien Vehlmann

(A/CA) Bruno Gazzotti

Five children wake up in a mysteriously deserted city. They must learn to survive, alone. Ivan, Leila, Camille, Terry, Dodzi — five children who have never met each other, who live very different lives in a small city. Then, one day, they all wake up in their empty homes, walk out into empty streets and wander through the empty city. No adults, no other children; just the five of them eventually finding each other, and forced to band together to face the inevitable questions — and the dangers of a modern city suddenly emptied of its inhabitants. LARGO WINCH VOLUME 14: RED-HOT WRATH GN

(W) Jean Van Hamme

(A/CA) Phillipe Franq

Largo is stuck on a boat with Silky. But this isn't the end of a James Bond story: the vessel's a container ship that belongs to Winch's enemy, a Georgian arms dealer who seems to be behind all the billionaire's current problems. And the crew are armed and trigger-happy. Not entirely surprising, since this time the plot is not just about money, it's also very personal! Poor Largo; things were so much simpler before he stopped being an orphan. (STK641128) (C: 0-1-1)

LUCKY LUKE VOLUME 46: THE PONY EXPRESS TP

(W) Laurent Gerra (A/CA) Achdé

Luke gets to help set-up the legendary Pony Express! In 1860, getting from Missouri to California on the West Coast took a long, long time — to say nothing of a certain degree of courage. Annoyed at the delay in communication, the federal government offers a grant to whoever can solve the problem and set-up a fast, reliable mail system linking East and West. In response, entrepreneur W.H. Russell founds the Pony Express company: fearless men riding day and night, changing horses at way stations. But not everyone likes that idea! (STK641129)

PHOTOBOOTH: A BIOGRAPHY GN

(W/A/CA) Meags Fitzgerald
For almost a century chemical photobooths have occupied public spaces. In the last decade these machines have started to rapidly disappear, causing an eclectic group of individuals from around the world to come together and respond. Meags Fitzgerald has chronicled the photobooth's fortuitous history and the events that gave rise to the desperate need to save them. Having traveled in North America, Europe and Australia, she's constructed a biography of the booth through the eyes of technicians, owners, collectors, artists, and fanatics. (STK641208)

Celebrating Vampirella's 45th anniversary! In FEAST OF SHADOWS, the first in the six-part OUR LADY OF SHADOWS story arc, Vampirella is sent by the Vatican to investigate the kidnapping of a little girl by Ethan Shroud and the Chaos cultists, only to become the centerpiece of a ritual invoking Lady Umbra, the sister-bride of Chaos, that leaves her marked as a living sacrifice to the dark goddess who rules the shadows. VAMPIRELLA is back and returns to her horror roots with Bram Stoker Award-winning author Nancy A. Collins (Swamp Thing, Sunglasses After Dark, Jason vs. Leatherface) and Patrick Berkenkotter (Red Sonja, Avengers/Invaders).

" I'm returning the book's focus to its horror roots and giving Vampirella herself a slightly darker edge, without making her a 1990's Bad Girl. I want to bring the feel of the old Warren mags to Vampirella—that uneasy mixture of excitement and apprehension that came from the knowledge you were reading genuinely scary stuff and that you'd get in trouble if your parents ever caught you with a copy. "One of the central issues is the idea of 'how are the evil queens of fairy tales made?' It's less a deconstruction like 'Wicked' and more of a look at what could make a fundamentally good person go bad and stay that way. Then again, that's not to say that it's always going to be the person that you expect, and it's not going to happen in the ways that you think you'll see coming." – TROY BROWNFIELD

Stjepan Sejic cover

Jim Butcher, Mark Powers (w)
Carlos Gomez (a) Stjepan Sejic(c)
FC • 40 pages • $4.99 • Teen+ • 6/4

Four months have passed since the events depicted in Dead Beat, Jim Butcher's New York Times-bestselling 7th novel in the Dresden Files series. A war is raging between the vampire forces of the Red Court and the White Council—a war the wizards are losing. So desperate are the Council that they've dragooned the experienced and the untested to reinforce their thinning ranks of Wardens. One of these draftees is one Harry Dresden, Chicago's only wizard for hire and a guy who's long been looked upon with suspicion by the supernatural authorities. Now, he's one of them, and his first big mission as a Warden is a doozy: take a small team of greenhorns to a tiny town in the middle of nowhere to rescue a handful of mortals who've been targeted by the Red Court. The question is, why exactly are these particular mortals so crucial to the outcome of the war? The answer will come only if Harry can keep them, and his team, alive for one very long night. An all-new, original Dresden Files story featuring stunning artwork from Carlos Gomez, and covers by the amazing Stjepan Sejic!

EVERYWHERE ANTENNAS GN

(W/A/CA) Julie Delporte

Julie Delporte's *Everywhere Antennas* is a deeply affecting, sparely constructed novel, equal parts *Walden* and *The Bell Jar*. In soft, flowing colored pencil, Delporte shows her narrator coming to term with a rare and misunderstood sensitivity to the radiation emitted by the televisions, cell phones, and computers that permeate urban life. *Everywhere Antennas* is the portrait of a woman caught in the margins, struggling to balance the demands of technology and modern life with the need to find meaningful relationships and work. With *Everywhere Antennas*, Julie Delporte proves herself to be a master craftswoman of heartbreakingly personal, beautifully literate graphic fiction. (STK641210) (C: 0-0-1)

(W/A/CA) Pascal Girard

Pascal's in a bad place. He's out of work, he and his long-time girlfriend have just broken up, and when he goes out for a run to ease his frazzled nerves, he falls and injures his back so badly, he's strictly forbidden from running. What's an endorphin-loving cartoonist to do? In a bid to distract himself, Pascal throws himself into his other pleasure: reading. And while at the bookstore one day, he spies a young woman picking up his own book. But then she darts out of the shop without paying. Bemused, he decides to figure out why she did it. Pascal Girard intermingles an all-too-true-to-life snapshot of contemporary relationships with slapstick trials and dryly funny tribulations in this delightfully readable book. THE WORN ARCHIVE SC

(W) Serah Marie McMahon

The WORN Archive is a manifesto on why fashion and clothing matter. With its prescient, intelligent articles *WORN* asserts that fashion is art, history, ideas, and most of all fun — that style is a personal experience that need not align with the fashion industry. Articles penned by a host of unique contributors (academics, writers, curators, and artists), touch on topics as wide-ranging as the relationship between feminism and fashion; the definitions of hijab; how to tie a tie; the history of flight attendants; textile conservation. The book features the best content from the journal's first fourteen issues. (STK641213) (C: 0-0-1)

ANT COLONY HC (NEW PRINTING)

(W/A/CA) Michael DeForge

Michael DeForge's brash, confident, undulating sensibility sent a shockwave through the comics world for its unique, fully formed aesthetic. *Ant Colony* follows the denizens of a black ant colony under attack from the nearby red ants. On the surface, it's the story of this war, the destruction of a civilization, and the ants' all-too-familiar desire to rebuild. Underneath, though, *Ant Colony* plumbs the deepest human concerns — loneliness, faith, love, apathy, and more. All of this is done with humor and sensitivity, exposing a world where spiders can wreak unimaginable amounts of havoc with a single gnash of their jaws. (NOV131048) (STK627922)

BEAUTIFUL DARKNESS HC (NEW PRINTING)

(W) Fabien Vehlmann (A/CA) Kerascoet

A dark fairy tale about surviving the human experience, *Beautiful Darkness* is a harrowing look at the human psyche and the darkness that hides behind the routine politeness and meaningless kindness of civilized society. The sweet faces and bright leaves of Kerascoët's joyful watercolors only serve to highlight the evil that dwells beneath, as characters allow their pettiness, greed, and jealousy to take over. It a bleak allegory on the human condition; Kerascoët's and Fabien Vehlmann's work is a searing condemnation of our vast capacity for evil writ tiny. (DEC131122)(STK622626)

Jimmy is a teenager in a crummy little town. He's got a lousy best friend, a porn habit, and an uncle whose miserable existence is the embodiment of life stalled in its tracks. He's also got a tender soul, a pure-hearted crush, and the makings of a budding artist. A horrible YouTube video of Jimmy dancing in his living room becomes viral and makes every sweet and hopeful thing about Jimmy seem utterly pathetic. Everyone from fellow classmates to the clerk at the corner store has seen the video, and Jimmy finds himself a celebrity in his town, just for the wrong reasons. (STK429022)

Hark! A Vagrant is an uproarious romp through history and literature seen through the sharp, contemporary lens of *New Yorker* cartoonist and comics-sensation Kate Beaton. No era nor tome is left unscathed as Beaton rightly skewers the Western World's revolutionaries, leaders, sycophants, and suffragists while equally honing her wit on the hapless heroes, heroines, and villains of the best-loved fiction. In just four years, Beaton has taken the comics world by storm with her non sequiturs, cheeky comebacks, and irreverent punch lines. (AUG111018) (STK450234)

REUNION GN

(W/A/CA) Pascal Girard

Though Pascal Girard initially dismisses the idea of attending his 10-year high school reunion, he quickly changes his mind when he receives an inviting e-mail from Lucie Coté, the girl he had a huge crush on in high school. Pascal becomes flustered with joy, but two problems remain: he must keep his almost uncontrollable infatuation a secret from his girlfriend, Julie, and he must do something about his weight. At 252 pounds, he frets that his weight will put him in the "loser" category among his former classmates, but most of all, he must do something to impress Lucie. *Reunion* is laugh-out-loud funny, with wry, selfdeprecating humor, and Girard's cartooning is effortless in its fluidity. CHICACABRA GRAPHIC NOVEL

IDW Publishing

I first came across Tom Beland at SPX and was immediately impressed with his mini-comic *True Story Swear to G-d* and maybe more impressed that he decided to attend, coming as he was from Puerto Rico with no expectations of sales. I was glad to have the opportunity of being his brand manager when he began offering *TSSTG* under his Clib's Boy Comic self-publishing imprint. Eventually Tom moved *True Story* over to Image and I continued to be a fan of his work and reading each issue was like reading his blog before we really knew what blog's were.

After a while *TSSTG* ended and that's Tom's story to tell. After a bit of an absence Tom has returned with a new book from IDW Publishing, *Chicacabra*.

Forgoing the serialized route Tom has produced a 200 page black and while graphic novel that seems to taken advantage of his time in Puerto Rico. In *Chicacabra*, Tom introduces us to Isabel Sanchez who appears to be like any other high school girl – but for the creature living inside her that's a killing machine.

Tom has a feel to making his characters real and with the introduction of a horror/action theme to this story is exploring new situations and we all get to go along with him and I can't wait to see how this turns out.

THE EMPTY MAN #1

BOOM! Studios

Skittering creepy crawlies that hide in the shadows; a seemingly conscious and anthropomorphized disease; and two groups of individuals—Agents Jensen and Langford and fanatical cult leader Abram Markoff and catatonic prophet figure Patient Zero—working through the remains of a plagued-ridden and soon to be post-apocalyptic world to uncover (or preserve) the mystery of the sentient virus, "the empty man." BOOM!'s newest comic series, *The Empty Man*, is literally about the stuff of nightmares and a perfect book for any fan of psychological horror, pandemic dystopias, and conspiratorial crime procedurals.

As a master of suspense and the supernatural, Cullen Bunn's (*Sixth Gun*) writing perfectly complements artist Vanesa R. Del Rey's (*Hit*) dark and gritty illustrations. The world of "the empty man" may be built upon our fears of the intangible monsters that lurk just out of sight, but as you read the book the seamless integration of the murky crime genre grounds the story in an all-too palpable reality and makes for a fantastically terrific tale of terror.

The pacing is brilliant, the characters are genuinely creepy, and the boogiemen of our nightmares are just visible enough to keep you on the edge of your seat—a kind of terrifying blending of *The Shinning* and *The X-Files*. In the book "the empty man" may make people live out their most horrific nightmares (often with fatal results), but in my case it compelled me to keep reading and is now keeping me anxious for the next issue.

SHACKLETON: ANTARCTIC ODYSSEY GN

(W/A/CA) Nick Bertozzi

Ernest Shackleton was one of the last great Antarctic explorers, and he led one of the most ambitious Antarctic expeditions ever undertaken. This is his story, and the story of the dozens of men who threw in their lot with him, many of whom nearly died in the unimaginably harsh conditions of the journey. It's an astonishing feat — and was unprecedented at the time — that all the men in the expedition survived. Nick Bertozzi has documented this remarkable journey with such wit and fiendish attention to detail that it's impossible not to get caught up in the drama of the voyage. In 1804, Meriwether Lewis and William Clark set out on one of the greatest adventures this nation has ever known. Their mission was to follow the Missouri river from Pittsburgh all the way west to the Pacific Ocean. Appointed and funded by President Jefferson himself, well-staffed, lavishly equipped, and led by a cadre of experts (including the famous Sacajawea), the expedition was considered a success almost before it had begun. There was only one problem: Everything. (STK431456)

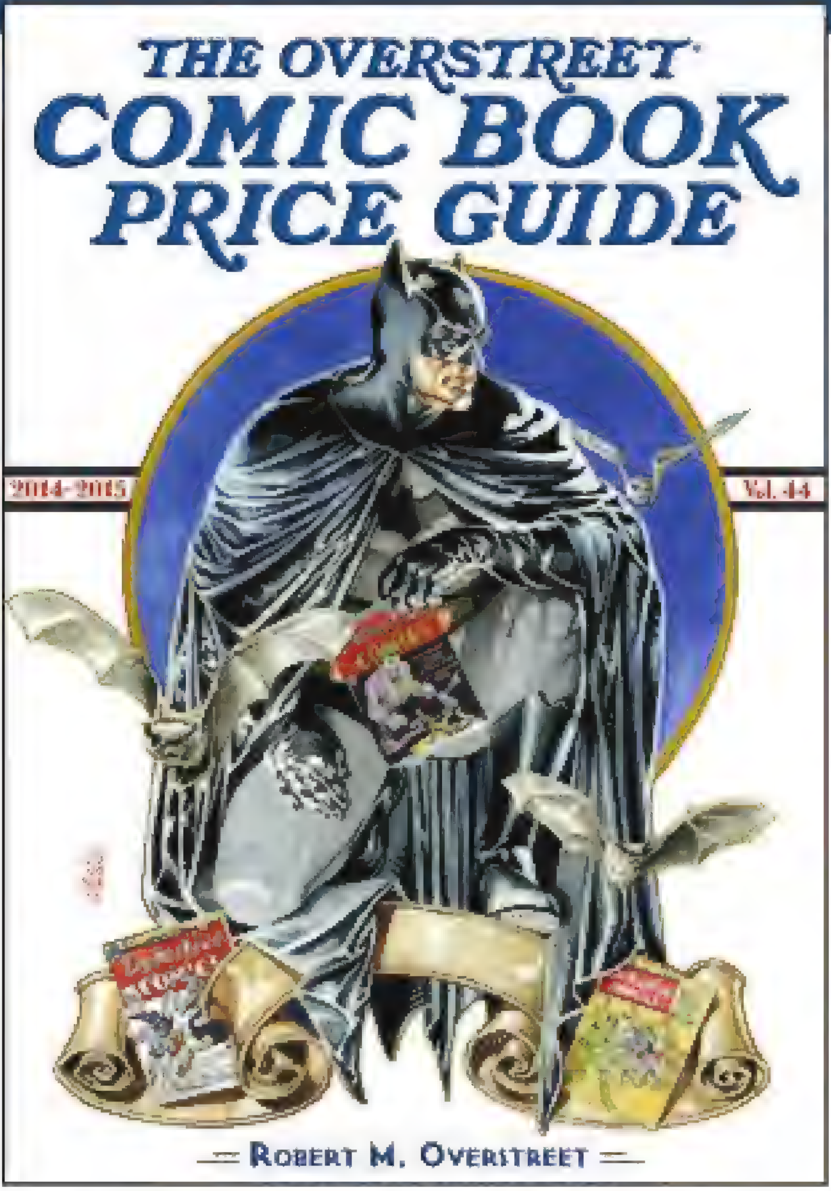
J.G. Jones Covers Overstreet!



He's been light-hearted and he's been grim. He's had a partner and he's operated solo. He's had about 453 customized cars, all of them cooler than whatever you drive.

This year is the 75th anniversary of Batman. Created by Bob Kane, enhanced by the work of Bill Finger, Jerry Robinson, Dick Sprang, Neal Adams, Jim Aparo, Frank Miller and so many others, Batman long ago transcended comic books, but the character continues to spark comic artists, who in turn spark the rest of the creative world.

What keeps the character compelling to artists today?

"Wow! That's the subject for an entire book," said J.G. Jones, the renowned cover artist for DC, Marvel and other publishers, who illustrated one of the covers for *The Overstreet Comic Book Price Guide #44*, due in stores Wednesday, July 23, 2014.

"I could write an entire essay about this question, but I think some of the things that make Batman so compelling are that he's the ultimate self made man. Sure he's rich, but his body and mind were trained through hard work, focus, and discipline. Those are his super powers, and they are powers that seem accessible to us. He did not arrive on a rocket ship from a dying planet. He was not bitten by a radioactive arachnid. He made himself into the Dark Knight through hard work and force of will. We'd all like to believe that could happen, no? It's the myth Americans tell themselves all the time. Just look at the self help section of any book store," he said. "Or it could just be that he has the coolest costume in comics."

For his cover, Jones drew his inspiration from the work of artist J.C. Leyendecker, who was Norman Rockwell's predecessor as cover artist for *The Saturday Evening Post*. An influential advertising artist as well, Leyendecker's work is still considered highly influential today.

"The idea began to form as I was looking at samples of previous Guides, and noticed that the logo type was never standard, but changed, depending on the art. That made me think about one of the longest running standard formats in publishing, *The Saturday Evening Post*. My favorite *Post* artist has always been Leyendecker, so the next thing I know, I'm pulling the huge tome of his work off my bookshelf and getting lost in the cover images," he said.

"Once I decided to do a Leyendecker *Saturday Evening Post* homage, I wanted to stick with one of his recognizable formats: the colored circle behind a figure and the scroll at the bottom, with a white background. The standard sort of Batman squatting on a gargoyle pose seemed to work best in the format," he said.

Since 1970, *The Overstreet Comic Book Price Guide* has been the Bible of comic collectors!

FEARLESS DAWN: HARD TIMES ONE-SHOT

Asylum Press

The last time we saw Prissy Jones, aka Fearless Dawn, things were not going well for her. During a botched mission Fearless Dawn was helpless to watch her friend Betty takes a bullet in her skull and, while still grieving the loss, she woke to find that her Nazi arch nemesis Helga Von Krause has kidnapped her little canine companion, Dogface. Unfortunately for the Nazis, Fearless Dawn's coping mechanism seems to be pumping Nazis full of as many bullets as possible!

While the tone of this title might be darker than other *Fearless Dawn* books we've been treated to recently, Steve Mannion's artwork lightens the mood with quirky and fun character designs that make the book a pleasure to read. In what other series can you read about moonbase Nazis, super model secret agents, mad scientists, and genetically engineered zombie monsters?

Be sure to pick up *Fearless Dawn: Hard Times* from Asylum Press as our heroine takes on the whole Nazi army and won't stop until she puts them in the ground or she dies a hero.

ATTACK ON TITAN: COLOSSAL EDITION VOLUME 1 GN

(W/A) Isayama Hajime

Attack on Titan: Colossal Edition is an oversized collection of the first five volumes of the *Attack on Titan* manga series! Humanity has been devastated by the bizarre, giant humanoids known as the Titans. Little is known about where they came from or why they are bent on consuming humanity. Seemingly unintelligent, they have roamed the world killing off humankind for years. For the past century, what's left of mankind has hidden in a giant, three-walled city. People believe their 100-meter-high walls will protect them from the Titans, which are 10 to 20 meters tall. But the sudden appearance of an immense Titan is about to change everything. Weighing in at a massive 960 pages, the *Colossal Edition* contains the same material as the original volumes, but the story is printed bigger and on higher-quality paper. THROUGH THE WOODS GN

(W/A/CA) Emily Carroll
Journey through the woods in this sinister, compellingly spooky collection that features four brand-new stories and one phenomenally popular tale in print for the first time. These are fairy tales gone seriously wrong, where you can travel to "Our Neighbor's House" — though coming back might be a problem. Or find yourself a young bride in a house that holds a terrible secret in "A Lady's Hands Are Cold." You might try to figure out what is haunting "My Friend Janna," or discover that your brother's fiancée may not be what she seems in "The Nesting Place." And of course you must revisit the horror of "His Face All Red," the breakout webcomic hit that has been gorgeously translated to the printed page. (STK640330) (C: 0-1-1)

ROY THOMAS PRESENTS: SHEENA: QUEEN OF THE JUNGLE VOLUME 1 BOOKSHOP EDITION

(W) Roy Thomas
(A) Robert Webb, Alex A. Blum
Roy Thomas Presents: *Sheena, Queen of the Jungle.* She may still be everyone's favorite yellow-tressed leopard-skin-clad Jungle Jane but, having made her first appearance almost 80 years ago (courtesy of Will Eisner and Jerry Iger in the British mag *Wags* #1), Sheena, Queen of the Jungle could be forgiven for being somewhat less spritely swinging through the trees righting wrongs and wielding her knife. There have been other incarnations, of course, but it's this classic material that strikes at the very heart of Good Girl Art. Whhhoooooaaaarrrrggggh-hhh! (STK640546) (C: 0-1-2)

D-FRAG! VOLUME 1 GN

(W/A/CA) Tomoya Haruno

D-Frag! is a new ongoing manga series that parodies high school clubs, nerd culture, and the slice-of-life genre in a side-splittingly hilarious storyline. Kazama Kenji thinks he's a delinquent. He's got the look, the style, and the attitude to match. Deep down, however, Kazama is a good-hearted kid who finds himself in over his heads when he stumbles upon the Game Creation Club. The club's formidable members, Chitose, Sakura, Minami, and Roka, are four girls who he might actually be attracted to if they weren't so freaking weird. The girls claim to have otherworldly powers and force him to join their offbeat club. Can Kazama resist the girls' bizarre charms and return to some semblance of a normal, everyday life? The plot thickens in this hilarious oneshot spin-off of *New York Times* bestseller *Haganai: I Don't Have Many Friends!* This volume is a collection of hilarious short stories that each focus on a different cast member. Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. When he comes across the brash loner Mikazuki Yozora, who typically chats with her imaginary friend, the two outsiders become the unlikeliest of allies. Realizing that they have no hope of a normal social life, the two rejects decide to form a group called "The Neighbor's Club" in order to make friends. Will these quirky misfits ever make normal friends, or are they all doomed to social failure? (STK639919) (C: 0-1-0)

TITAN COMICS

POLICE PUBLIC CALL BOX

Who is Titan Comics? And what are they going to do with *Doctor Who?* Those have been the questions on everyone's lips since January – and now you can see just what we've got planned for our stunning debuts!

The amazing talents behind our new ongoing series have gathered below, to tease and tantalize about what's coming up – and to tell you just why they love the Doctor and his adventures so much.

Turn the page to see all our retailer incentives – including Diamond-exclusive 'Titans' toys, and a pair of customizable covers... with 28 unique combinations!

We're here to take you on an incredible journey – this is just the beginning!

Andrew James,
Editor, *Doctor Who*

NICK ABADZIS

Writer, *The Tenth Doctor*

"The Doctor was, is, and will remain my greatest fictional hero, from the Tom Baker of my childhood to the Capaldi of the future. I love that the show is always fresh, never the same from week to week – full of rich emotional arcs, scary monsters and insane ideas. It's a joy and an honor to bring a brand-new companion into the timeline of the Tenth Doctor – and I guarantee that fans can look forward to all manner of shocks, surprises and unforgettable adventures in the months and years ahead!"

ROBBIE MORRISON

Writer, *The Tenth Doctor*

"The Doctor's one of the great fictional characters, whether you hid from the monsters of Tom Baker's era, or first stepped into the TARDIS with Christopher Eccleston. I'm delighted to be part of a great new era in comic-book adventures in time and space. My first storyline sends the Doctor and his new companion into the past to face an old enemy – an enemy so terrifying that you'll have to hide behind the sofa to read it!"

ELENA CASAGRANDE

Artist, *The Tenth Doctor*

"When it comes to drawing David Tennant's Doctor – I must confess, I'm not very objective: he's my favorite, because of his amazing ability to act out every kind of human emotion! Most of my favorite *Doctor Who* episodes are Tenth Doctor ones – with 'Blink' my absolute favorite. I'm so excited to work on this project, I loved *DW* from the first episode I saw – it was the Ninth Doctor's speech about the turn of the universe that did it – so the fangirl in me is in raptures!"

AL EWING

Writer, *The Eleventh Doctor:*

"I'm a *Doctor Who* fan of long standing, and Matt Smith is one of my favorite actors in the role, so obviously this is a very pleasant assignment for me. We get to play around with that particular voice, in a fictional universe where there are no limits, with stories that – by the very nature of what *Doctor Who* is – are founded on a bedrock of kindness, understanding and communication. And scary monsters. And the occasional super creep. And, most importantly, FUN. Me and Rob are going to hit the corridor running – hope you enjoy the trip."

ROB WILLIAMS

Writer, *The Eleventh Doctor:*

"I've got a seven-year-old son, and when we sat down to watch his first episode of *Doctor Who* together, with no prompting from me, he hid behind the sofa. But he couldn't stop watching. He loves *Doctor Who*. That sums up all that's great about *Who* for me. You've got the smartest, good-(two)-hearted man in the universe, running around having adventures in time and space, with your imagination as the only limit. It's exciting. And I'm very excited to have the chance to write The Doctor. Al and I are going to have some fun with it. Two writers. Two hearts (living in just one mind, as a wise man once wrote)."

SIMON FRASER

Artist, *The Eleventh Doctor:*

"Would I like to draw *Doctor Who* comics? Are you kidding me?! Between the ages of 14 and 16 (the worst three years of my life) there were two things that kept me from jumping head-first off my High School roof. Comics was one thing, *Doctor Who* was the other. He saved me. I owe him."

Turtles in Time! The videogame was the best in the arcade. (Four player!) I darn near wore out my SNES cartridge. (I'm still the reigning champion of throwing foot ninja. Think you're good? Step up; let's go.) The original *Turtles* comics featuring Renet the Time Mistress was some of the most exciting in the Mirage pantheon! I'm so excited for this upcoming *Turtles In Time* series that I can barely see straight. Beyond the guaranteed dinosaurs (gotta have some time with dinosaurs. It's a fact, jack!) and awesome artist Ross Campbell on interiors (his Renet rocks some **clocks**!), there's so many exciting mysteries tied to this series. When else are they going? How do they blend in with all those crazy time periods? (A true ninja is always a master of himself and his environment, you know.) If I get my hands on a time scepter any time soon, you know I'll skip right across all 4 Wednesdays and get my new comic book fix in a quick scoop! Until then, I guess my SNES and I will just have to wait… COWABUNGA!

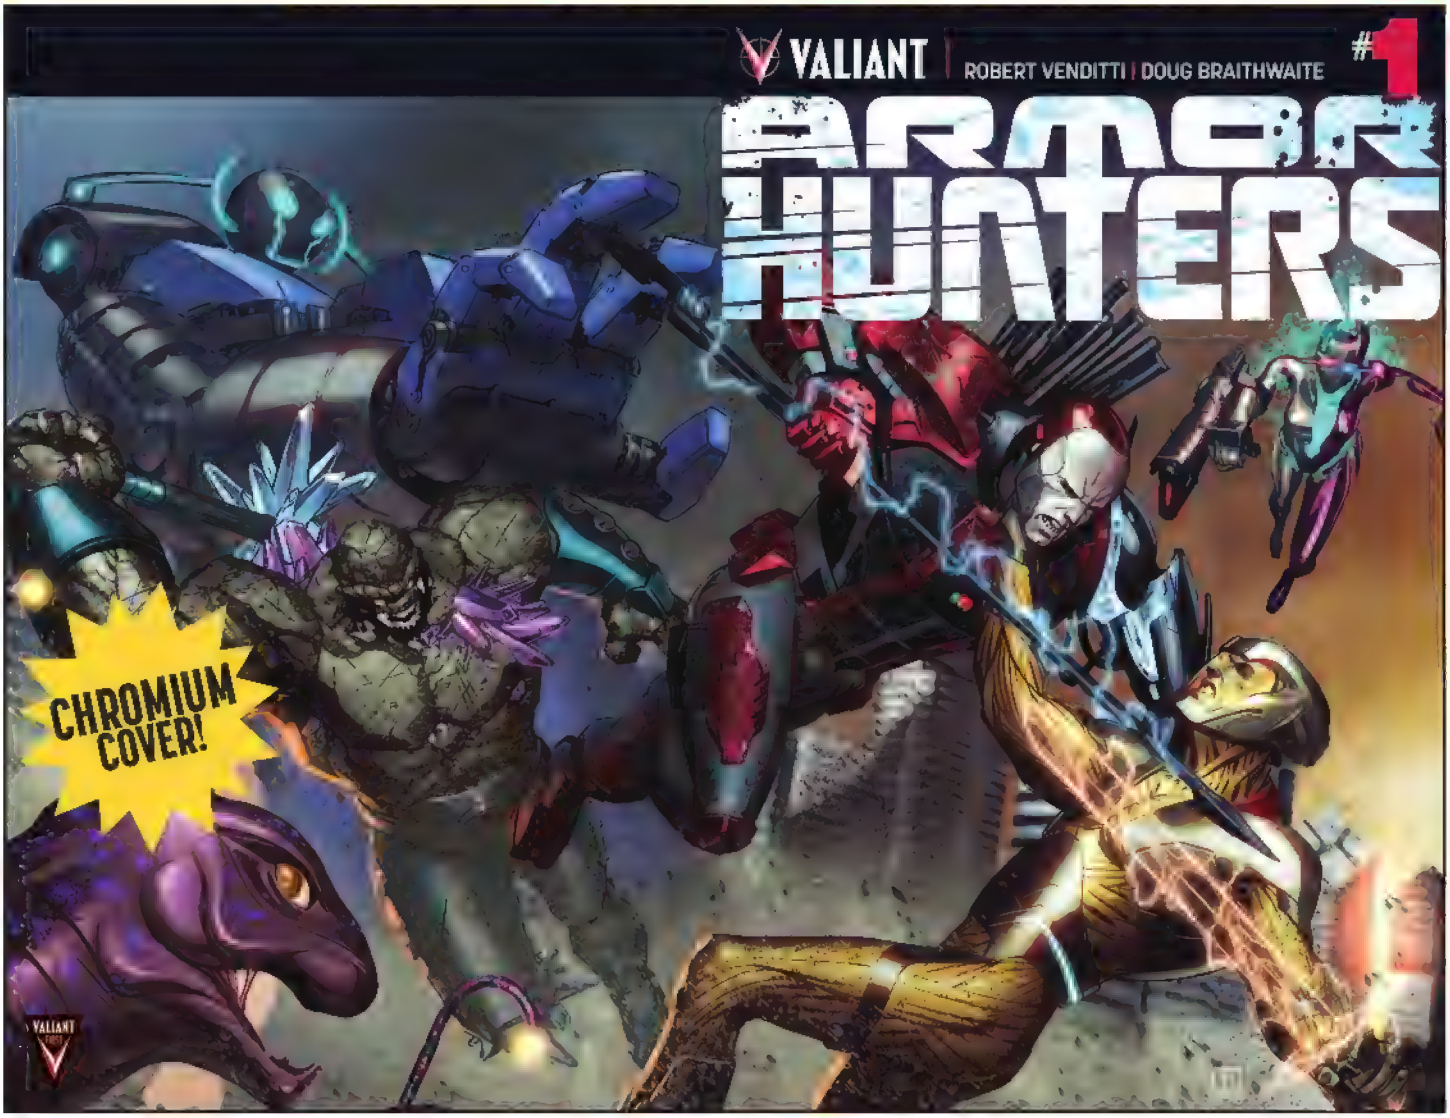
ARMOR HUNTERS #1 (of 4)

THE CROSSOVER EVENT OF 2014 STARTS HERE!



This summer, Earth will be the greatest hunt of all when VALIANT FIRST unleashes the first issue of 2014's must-read crossover event – ARMOR HUNTERS –from superstar creators Robert Venditti (*X-O Manowar, Green Lantern*) and Doug Braithwaite (*Unity*)!

A relentless and surgical strike team from the farthest reaches of space – sworn to exterminate the X-O Manowar armor and all like it – have found finally their last target. They will hunt. They will trap. They will kill. And they will rid the universe of the X-O Manowar's incalculable destructive power...even if it means taking the Earth with it.

In the tradition of the universe-shaking HARBINGER WARS, Valiant's biggest heroes begin the fight for the summer's blockbuster 18-issue crossover event right here in Armor Hunters #1 (of 4) – and then launch the resistance against the world's first full-scale cosmic threat with new arcs beginning in Unity #8 and X-O Manowar #26 in June; and Armor Hunters: Bloodshot #1 (of 3) and Armor Hunters: Harbinger #1 (of 3) beginning in July!

Abducted from his own time by a vicious alien race, the courageous Visigoth warrior known as Aric of Dacia spent years in slavery among the stars before escaping with his captors' most feared weapon – the X-O Manowar armor. Now, stranded in the modern day, the world's most primitive man also just happens to wield its most powerful weapon. But what is the X-O Manowar armor? And who before Aric of Dacia dared to wield its incalculable power? The ARMOR HUNTERS hold the key to the armor's untold history and – one way or another – they'll crush anything that dares threaten their secret.

ETERNAL WARRIOR VOL. 2: ETERNAL EMPEROR TPB

Long live the Eternal Emperor!

Two thousand years from today, the planet has been transformed by science, technology...and war. The centuries have not been kind to the Earth's own undying warrior, but a battle that could change everything is only just beginning for the Eternal Emperor and the tattered remnant of humanity under his protection. Will this be a new dawn for the age of heroes – or its death knell? And what uncanny confluence of science, myth, and magic has rendered the world – and its own Eternal Warrior – into war-ravaged remnants of their former selves?

Collecting **ETERNAL WARRIOR** #5-8, the Fist and Steel's battle continues right here as New York Times best-selling writer Greg Pak (*Batman/Superman*) and rising star Robert Gill build a bridge to the year 4001... and unearth a brand-new era for the heroes of the Valiant Universe.

KNIGHTS OF SIDONIA VOLUME 9 GN

(W/A/CA) Tsutomu Nihei
One of the manga world's most intriguing artists returns with a science-fiction tour de force which combines post apocolyptic action, modern sci-fi video game tropes and a traditional Japanese aesthetic in the *Knights of Sidonia*. Tsutomu Nihei tackles the world of hard science-fiction by creating a modern space comedy inspired by the genre's hits from his youth. Nagate Tanikaze was a homeless teen living in the depths of a space colony with a thing for simulation games and stealing rice. Now he is the lead fighter pilot protecting said space colony from a race of shape-shifting space giants! (STK639847)

THE LAST DAYS OF MANKIND GN

(W/A/CA) David Boller
One hundred years ago, one of the history's great tragedies began on June 28, 1914. The assassination of the heir to the throne Franz Ferdinand and his wife in Sarajevo set in motion a chain reaction that ended in what is today known as WWI. At the time Austrian writer Karl Kraus wrote his epic masterpiece *The last Days of Mankind*, about the sentiments during the time of the war which seems as relevant today as it was back then. Reporting mostly from the point of view of Austrian society in Vienna, this satirical and eye-opening graphic novel teaches us one thing; In regards to war, mankind has learned absolutely nothing in 100 years. Are You Alice?

ARE YOU ALICE? VOLUME 5 GN

(W) Ikumi Katagiri (A/CA) Ai Ninomiya

A twist on *Alice's Adventures in Wonderland* in which "Alice" is a boy whose "adventures" more closely resemble a gunfight! With Alice and Hatter distracted, the traitorous Dormouse sets off with the Queen of Hearts in his crosshairs. In his urgency to stop the traitor, Hatter makes the mistake of leaving Alice alone with the Cheshire Cat — an error that has proved near-fatal in the past. And when the Regret formerly known as the 88th Alice confronts Alice, it becomes clear that the Dormouse wasn't the only traitor in their midst! Now Alice must fight to keep his position, lest his name and his life be forfeit! (STK640001) (C: 1-1-0) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

SC, 192pgs, B&W........................ $13.00

BLOODY CROSS VOLUME 3 GN

(W/A/CA) Shiwo Komeyama

Demons and angels collide with a curse in this gothic fantasy that strikes to the core of manga fandom! Recovering the first Prophecy Book nearly cost Tsukimiya her life, so securing the second will be no small feat. Now that Satsuki has mobilized in the race to collect God's inheritance, he and Tsuzuki clash violently when the second Book and its key appear simultaneously in two separate locations. Tsuzuki has the conviction, but does he have the strength to defeat the fallen angel, whose determination is such that he is willing to fly in the face of God himself? (STK640002) (C: 1-1-0) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

BLOODY CROSS

JUDGE VOLUME 4 GN

(W/A/CA) Yoshiki Tonogai

In this survival horror manga series, a group of strangers are kidnapped and given the power to decide who among them will live or die! "You are not the only ones playing this game." Clues discovered in a new room only lead down a new path of despair, and the time comes for the brutal sentencing of the third Judgment. The line between perpetrator and victim begins to blur. Until all is revealed, time is on no one's side! (STK640003) (C: 0-1-0)

SC, 208pgs, B&W $12.99

PUELLA MAGI MADOKA MAGICA: THE DIFFERENT STORY VOLUME 2GN

(W/A) Magica Quartet (CA) Hanokage

A new retelling of the original story behind the award-winning anime and manga series, *Puella Magi Madoka Magica!* Mami has joined with a new magical-girl partner in her efforts to rid the city of witches. Miki Sayaka is a little green, but her swordsmanship is an undeniable asset to the cause. But Sayaka brings more than her blade to battle: her friend Madoka has joined the girls on their late-night missions. Mami doesn't want to pressure Madoka into a decision about becoming a magical girl, but how long can Madoka remain on the sidelines as a passive witness when her friends are in danger? (STK640004) (C: 1-1-0) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

SWORD ART ONLINE: FAIRY DANCE VOLUME 1 GN

(W) Reki Kawahara
(A/CA) Tsubasa Hazuki

Kazuto Kirigaya (aka Kirito) has survived the death game of *Aincrad* masterminded by Akihiko Kayaba, programmer of *Sword Art Online*, and made it back to the real world. Unfortunately, the same cannot be said for Asuna Yuuki (aka Asuna the Flash), the girl Kirito fell in love with in the game world and who has yet to awaken from her seemingly endless slumber. As his sister, Suguha, sadly looks on, Kazuto continues to visit Asuna in the hospital in the hope of finding answers. But one day, the answers suddenly find him in the form of a man who claims to be Asuna's fiancé! With him, the man brings an in-game screenshot of someone who looks a lot like Asuna being held captive! Now Kirito must dive into an all-new VRMMORPG, *Alfheim Online*, to bring Asuna home! TALE OF THE WANING MOON VOLUME 4 GN

(W/A/CA) Hyouta Fujiyama

Forsaken by the woman he loved, a young man makes a wish for true love. He just wasn't expecting boys' love! One of the governing rules of the moon and its inhabitants states, "A Spirit of the Moon must not directly aid those who seek out the moon." For breaking this rule and giving aid to his beloved Ryuka, Ixto, Spirit of the Waning Moon, has been imprisoned by the powers that be. Far from being glad of his lover's help, however, Ryuka is livid that Ixto took it upon himself to make such a drastic decision without consulting him first! He stubbornly continues on his quest to the moon and Ixto, but do caustic words await these cursed lovers instead of sweet kisses at the end of their long journey? (STK640005) (C: 0-1-2)

SALLY OF THE WASTELAND #1

Titan Comics

Have you ever had a crush on somebody who didn't notice? Did that person then have to go on a dangerous journey into the post-apocalyptic, radioactive, mutated, wasteland and you were faced with the choice of whether to risk losing them by staying put or risk dying by going with them? Sure, we've all been there, right?

Sally is just one of maybe a few thousand or so people still managing to survive in the harsh future of what was once the Unites States. After "The Fall," the animals of the world have either died off or horribly mutated into dangerous beasts with no fear of humans. And in all of this chaos, Sally is a young woman with a sharp tongue and a knack for firearms just trying to get by in a savage world while hopelessly in love with her good friend Tommy. When a stranger shows up in town with a mission that could possibly save the world, Tommy can't help but join the adventure across the wasteland and Sally can't help but follow Tommy.

Sally of the Wasteland is the type of world where *The Book of Eli* meets *Godzilla's* petting zoo, all in the spirit of *Army of Darkness*. The audience is brought along to laugh as Sally speaks her mind, strange characters cause trouble, and mutant creatures then tear them apart. It's all in good fun, and it's the end of the world as we know it… so why wouldn't it be?

NOT FINAL COVER

In the 15 years since TASCHEN released *The Great American Pin-up*, international interest in this distinctly American art form has increased exponentially. Pin-up, defined as drawings or paintings of pretty girls that stop short of frank nudity, was produced between 1920 and 1970, and much of it was discarded after printing. Today it's huge, and ripe for an equally huge and truly comprehensive collector's edition. Formidably sized, *The Art of Pin-up* is an impressive book that will be coveted by casual fans as well as hardcore pin-up collectors. The reproduction of the paintings, pastels, and preparatory sketches was largely sourced from the original art. (STK640515) (C: 0-1-1)

WINGS OF ANGELS: A TRIBUTE TO THE ART OF WORLD WAR II PIN-UP & AVIATION HC

(W) Michael Malak
A beautifully presented, two-volume collection, uniquely chronicles the story and history of the most recognizable aircraft of World War II and the pinup girls whose images graced these legendary warbirds. Flying into combat with our boys, inspiring and providing our U.S. soldiers with sweetly seductive reminders of home, these pinups are a reminder of the All American good life GIs were fighting for. Michael Malak has merged classic 1940s style Hollywood photographs in black and white and sepia recreations for the vintage at heart, as well as full color HDR (High Dynamic Range) photographs for the modern art lover. This book takes the viewer through the history of these magnificent warbirds and the role they played in World War II. (STK640492) (C: 0-1-0)

COMICS: A GLOBAL HISTORY, 1968 TO PRESENT SC

(W) Dan Mazur, Alexander Danner

Comics, manga, bandes dessinées, fumetti, tebeo, historietas — no matter the name, they have been a powerful medium across four continents for decades. This is the history of comics around the world from the late 1960s to the dawn of the 21st century. The images here are bright and colorful, dark and brooding, arresting and pleasant, all at the same time. An unprecedented collection includes around 260 expertly chosen illustrations, many reproduced in full-page format for more sophisticated analysis. In showing us both post-apocalyptic dreamscapes and portraits of the everyday, *Comics* looks at this thirty-plus year period through a very unique lens. (STK640015) (C: 0-1-0)

ONCE UPON A DREAM: FROM PERRAULT'S SLEEPING BEAUTY TO DISNEY'S MALEFICENT HC

(W) Charles Solomon

With its themes of a beautiful princess, a dashing prince, and love triumphing over powerful magic, "Sleeping Beauty" remains one of the most beloved of all fairy tales. First published in 1697, Charles Perrault's vision of the ageless, enchanted princess slumbering in her vine-encrusted tower has fascinated readers and artists for more 300 years, and this heavily-illustrated book will trace the history of that fascination, which has manifested itself in literature, fine art, poetry, music, and film. The book concludes with the development and creation of Disney's *Maleficent*, including interviews with Angelina Jolie and director Robert Stromberg; behind-the-scenes details and photography; costumes, props, and makeup; and plenty of movie magic! DOCTOR WHO

FEATURED ITEM

THE ESSENTIAL DOCTOR WHO: CYBERMEN

Following the success of 2013's 50th Anniversary Specials, Panini's "bookazines" continue with a new series: *The Essential Doctor Who*! The first edition is devoted to the Cybermen, the emotionless silver giants that first appeared on *Doctor Who* in 1966, and most recently menaced Matt Smith's Doctor in his final adventure. In terms of audience recognition and popularity, the Cybermen are second only to the Daleks. *The Essential Doctor Who: Cybermen* is a lavish and comprehensive guide featuring details of every Cyberman episode. There are new and previously unpublished interviews with the writers, designers and actors who brought the Cybermen to life, details of an unmade Cybermen story from the 1970s, and even a guide to walking like a Cyberman by *Doctor Who's* choreographer! Details of Cyberman comics, novels, audio stories, toys and collectables complete this essential guide to one of the Doctor's most enduring adversaries! (STK641250) (Panini Publishing Ltd) (C: 0-1-2)

FAMOUS MONSTERS OF FILMLAND #274

(A) Bob Eggleton

For 60 years, the "King of Monsters" has reigned supreme. As we eagerly await the newest film from Japan's greatest beast, *FM* celebrates 60 years of Godzilla! We'll start with the first film and work our way up to this year's blockbuster as we dig into Godzilla's greatest battles and kaiju adversaries, his most notable films, and the legacy that has made him a legend. Expect big things from August Ragone and his Kaiju crew once again as they assemble this monster issue. All this and much more, featuring a *Godzilla vs. Mothra* cover by the one and only Bob Eggleton! (STK641256) (Movieland Classics Llc) (C: 0-1-1)

**GUARDIANS OF THE GALAXY
ROCKET RACCOON!**

[illegible] is all [illegible] as he holds up an [illegible] futuristic [illegible] carried into battle on the shoulder of his [illegible] and ally Groot! The [illegible] as the [illegible] entire stands on his [illegible] resting a curved hand on Groot's [illegible] while prepared to level his intimidating heavy weapon at any enemies who may still be standing. Rocket wears a slick orange and black spacesuit that contrasts nicely with his intricately sculpted brown fur, and the tree branch texture of his friend adds yet another element to this fantastic presentation.

ANIMATION

MASTERS OF THE UNIVERSE: SNAKE MOUNTAIN STATUE
Snake Mountain, the evil stronghold of Skeletor. When King Hssss and his cold-blooded army invaded Eternia, they sought to bolster their forces by freeing the mighty Preternian serpent deity Serpos from his underground prison. Together, the Snake Army and Serpos conquered much of Preternia, devastating the lands and enslaving all who opposed them. Eventually, the combined powers of the Elders were used against Serpos, tapping into the magic of the Star Seed to turn the great three-headed serpent god into stone. Serpos' remains eventually became known as Snake Mountain and would be used as a base of operations for many mages and warlocks through the centuries. Designed by Nate Baertsch and the Four Horsemen, this statue draws from many different past references of Snake Mountain. This massive statue is 18" wide, 16" tall, and 13" deep, and weighs an impressive 16 pounds! (STK639165) Scheduled to ship in June 2014. ALPHA MOONBASE
BIG 18x12 BASE

SPACE 1999: MOONBASE ALPHA MODEL KIT
The design and production values of *Space: 1999* stand in high regard to sci-fi fans around the world. The 1970s TV show created by sci-fi pioneer, Gerry Anderson, left an indelible impression like few others. The main stage for all of the action in the show was Moonbase Alpha. The base housed the crew on their voyage through the depths of space and it is coming back in model kit form. The kit is comprised of two elements, a 1:1800-scale model of the entire base and a larger 1:115 scale of the base's control room. This updated release contains significant changes to make the model more accurate. Five all-new landing pads are included (previous releases had only 3) along with other pieces needed to accurately portray the layout of the structure. A four-piece vacuform base supplies the entire sprawl of the moon base surface. New in-scale Eagle Transporters are also included. (STK639618) Scheduled to ship in June 2014. FEATURED ITEM

FIREFLY: MALCOLM REYNOLDS 1/6-SCALE MASTER SERIES STATUE
Standing defiant in the face of inevitable defeat, pistol at the ready and gripping the tattered banner of the Independents, this is Sergeant Malcolm Reynolds at the height of the Battle of Serenity Valley. There's no greater subject for Quantum Mechanix's first Master Series 1/6-scale statue than Firefly's Captain Mal at this seminal moment. Every detail has been reproduced with exacting fidelity, from his trademark Moses Brothers sidearm to the brass buckles on his brown suede duster. Particular attention was paid to Mal's face to match the structure, skin tone, hair color, and blue eyes of actor Nathan Fillion. Measuring 17″ tall, including the 11 1/2″ x 9″ base diorama, the statue weighs more than 6 pounds. Cast in solid polystone and limited to an edition of 1,000 pieces, each statue is hand painted and comes with a Certificate of Authenticity. (STK639587) Scheduled to ship in June 2014. STARFIRE

DC COMICS STARFIRE BISHOUJO STATUE

Coming up next in the DC Comics Bishoujo Collection (combining DC's superheroines and villains with traditional Japanese stylings) is one of the "hottest" characters in the DC Universe, **STARFIRE!** An alien from the planet Tamaran, Princess Koriand'r was exiled by her wicked sister and ended up on Earth where she used her powers of flight and energy beams as a hero. Taking the name Starfire, she would defend her adopted planet and its people as a member of the Teen Titans with allies like Nightwing and Raven. Starfire is captured here as she rests after battle, her enemies defeated and no longer a threat. The fiery alien perches atop a rocky outcropping, leaning forward to gaze at you while her incredible hair flows dynamically around her! Starfire wears her classic (pre-New 52) garb, a unique revealing outfit consisting of an intricate bikini-like torso harness, arm bands, and thigh high boots. The former Teen Titan is perfectly sculpted with soft lines and lots of details like the jewels, seams, and hems on her clothing and of course her heartbreakingly beautiful Bishoujo-styled face... and that's all in addition to her fantastic hair! Sculpted by Toshiaki Hogari, Starfire stands 8 ½ inches tall (in the perfect 1/7 Bishoujo scale) as she leans on her unique georama display base.

MARVEL GUARDIANS OF THE GALAXY ROCKET RACCOON ARTFX+ STATUE

While the Marvel Now Avengers series of ARTFX+ statues continues this year, Kotobukiya is taking a break from that line to capture this summer's biggest movie star, **GUARDIANS OF THE GALAXY ROCKET RACCOON!** Rocket, a highly intelligent alien creature that resembles an anthropomorphic Earth raccoon, first debuted in Marvel Previews #7 way back in 1976 and has been a mainstay in the company's "cosmic" books for years. On August 1st he will hit the big screen (voiced by Bradley Cooper) alongside Star-Lord, Groot, and the rest of his pals in the blockbuster Guardians of the Galaxy film! Rocket Raccoon is all business as he holds up an enormous futuristic cannon, carried into battle on the shoulder of his friend and ally Groot! The small but tough as nails creature stands on his hind legs, resting one clawed hand on Groot's head while prepared to level his intimidating heavy weapon at any enemies who may still be standing. Rocket wears a slick orange and black spacesuit that contrasts nicely with his intricately sculpted brown fur, and the tree branch texture of his friend adds yet another element to this fantastic presentation. With his teeth bared in animalistic fury, the little Guardian of the Galaxy looks like he's ready to leap off Groot and directly into the action! Sculpted by Junnosuke Abe (RESTORE), in the ARTFX+ 1/10th scale. Rocket Raccoon surveys the area with his sci-fi weapon as he stands on Groot's shoulder.

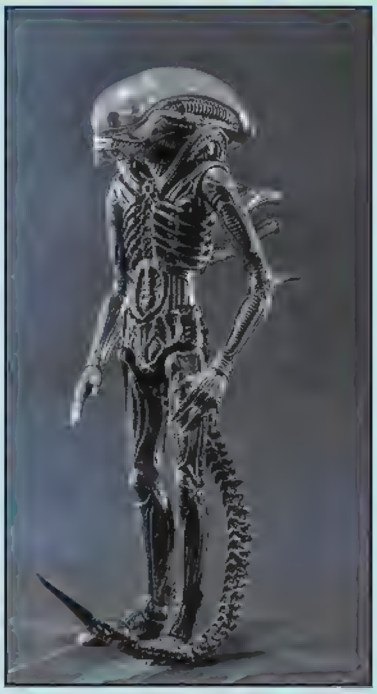
S.H.MONSTER ARTS: ALIEN BIG CHAP



From Tamashii Nations. Thirty-five years after the original *Alien* motion picture, Tamashii Nations is proud to announce its next ambitious *S.H.MonsterArts* project with the *S.H.MonsterArts Big Chap* action figure. Developed from the ground up to replicate poses from the *Alien* film the overall style dictated by the long arms and legs of the actor inside the suit, and the finely detailed sculpting of the suit itself as designed by Geiger, are replicated in the product in exquisite detail. Big Chap's distinctive translucent head carapace is rendered with a separately-molded semi-translucent part, allowing the precision-sculpted skull beneath to show through. The bone-like tail is built from 18 individually jointed segments for enhanced detail and the tip employs die-cast metal for enhanced weight and realism. Figure set also features interchangeable hand parts and special display stand. Figure stands 7" tall. Window box packaging. (STK641796) Scheduled to ship in July 2014. SPOTLIGHT ON

BIGGER ON THE INSIDE

DOCTOR WHO 50TH-ANNIVERSARY ART PRINT

Celebrate the 50th-anniversary of Doctor Who, science fiction's longest-running TV show, with this art print of the TARDIS against a pale moon on a glorious night. To celebrate the show's golden anniversary, Quantum Mechanix developed this classic, understated tribute with graphic designer Jeff Halsey, who also designed the Firefly 10th-Anniversary lithograph. The TARDIS sits, door ajar with light leaking out, against a midnight-blue sky beneath the halo of the moon. Yes, it really is bigger on the inside. The Doctor Who 50th-Anniversary Celebration art print is the same size as a movie one-sheet — measuring 27" x 40" — and is printed on 100-pound, satin-finish paper. (STK639313) (7814/DRW0009) (C: 1-1-1) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

TAMMANY HALL: THE BOARD GAME

Now available again, IDW Games is proud to announce the return of *Tammany Hall*, the fan favorite game of backstabbing, corruption, temporary alliances, and taking power at all costs. If you want to rule New York, you are going to need to play the city's growing immigrant populations against one another. Players help immigrants settle in New York, collect political favors from those immigrant groups, send ward bosses into Manhattan to secure votes, and slander political opponents. An election is held at the end of every fourth year, and the player who uses his power base best will be elected mayor. The Mayor's grip on the city is tenuous at best. After every election, the Mayor must pay off his political rivals by placing them in offices that they can wield to try to take control of the city. Every player is your friend, every player is your enemy. (STK641778) (C: 0-1-2)

Re: **Club Guidelines**

It has come to our attention that your club — officially formed with the goal of "making friends" — has been taking part in *questionable* behaviors on campus. We'd like to remind you that none of the following are approved club activities:

* Stalking (especially taking candid photos of your peers)
* Playing inappropriate video games
* Watching anime involving adult themes
* The creation of time machines

While we applaud your creative efforts in making a movie about intergalactic samurai robot wars, please note that the costumes do not fit our dress code. In addition, we have reports of brewing drama between Yozora and Sena regarding Kodaka — including the fact that an engagement has taken place. Please fill out required paperwork if the chapel needs to be reserved.

PERSONA 4: THE ANIMATION–COMPLETE COLLECTION

From Sentai Filmworks. Collected together for the first time. When Yu Narukami moves to the country town of Inaba to stay with his uncle and cousin, he's expecting a lot more peace and quiet than he's been used to in the big city. What he isn't expecting is for his uncle's job as a police detective to spill over into his own life. Or for the murders that are occurring across town to be somehow linked to Yu's own strange experiences: odd local weather patterns, and a mysterious TV show world that seems to be attempting to get Yu to enter it! Now, together with a new group of friends, Yu must plunge into a bizarre alternate reality where he gains unique abilities that will either help him solve the riddle of the mystery killer, or lead him to his doom. Journey into the Velvet Room and beyond as the hit PlayStation 2 game becomes a spectacular anime in *PERSONA 4: The Complete Collection*! (STK640174) (C: 0-1-1)

HAKKENDEN: EIGHT DOGS OF THE EAST SEASON ONE

From Sentai Filmworks. When their village was wiped out five years ago, there were only three young survivors: Shino Inuzuka, Sosuke Inukawa, and the girl Hamaji. Through a quirk of fate, both boys share the same peony-shaped birthmark. Genpachi Inukai and Kobungo Inuta were raised hundreds of miles away as foster brothers, but they too share the same birthmark. When they went north as part of the army three years ago, they went to confront demons and came back forever transformed. Now the Imperial Church has come for Shino and Sosuke and they must find eight mystical gems and their owners or face a fate worse than death at the hands of the Church. One of Japan's greatest works of literature is born again in *Hakkenden: Eight Dogs Of the East*! (STK640178) (C: 0-1-1)

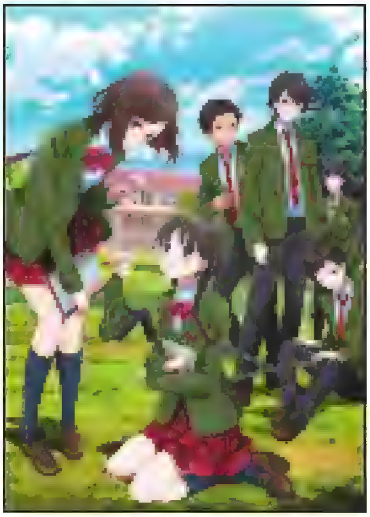
RED DATA GIRL



RED DATA GIRL–THE COMPLETE SERIES

From FUNimation. Stunning animation and raw emotional power take center stage in a series that AnimeNewsNetwork calls *"one of the year's best series."* Izumiko is a fifteen-year-old outcast who was raised in seclusion at an ancient shrine hidden deep within the forest. This mysterious teenager destroys any electrical device she attempts to use, and her painful shyness has left her with few, if any, friends. Her world begins to evolve, however, after enrolling in Houjou Academy, a school home to students of supernatural origins. Accompanied by her fated guardian, the brooding monk-in-training Miyuki, Izumiko soon discovers the shocking truth about herself: she is a vessel for the spirt of a powerful and vengeful goddess from a time long since passed. As her bond with Miyuki growns stronger, the spirit lurking within Izumiko begins to awaken. Can this fragile beauty learn to control her newfound power — or will the secret she carries make her the enemy of all mankind? (STK640711) (C: 0-1-1)

SHIKI—THE COMPLETE SERIES

From FUNimation. Newly collected in a single, low-cost edition! From the studio that brought you *Black Butler* and *Fullmetal Alchemist* emerges the psychological thriller that will send you to bed with a cross in hand! When citizens of a secluded village begin dying off in alarming numbers, the sole hospital's head doctor tries desperately to save his patients—but his efforts are in vain. Entire families are wiped out while others desert their homes. All hell breaks loose as the villagers discover their loved ones' corpses are rising from the grave with an insatiable thirst for human blood. Haunting, hallucinogenic and unnerving to the core, Shiki stares into the hearts of both the hunter and the hunted. Who is safe when the urge to kill in order to survive blurs the line between man and monster? Combo Pack includes both Blu-Ray and DVD formats. (STK640671) (C: 0-1-1)

MOTTO
To LOVE RU

TO LOVE-RU—THE COMPLETE SEASON TWO

From Sentai Filmworks. The insanity that began when a very naked (and very female) alien teleported into Rito Yuki's bathtub (while he was in it) continues. And even though Princess Lala has finally started to admit her true feelings for the young man she's inexplicably engaged to marry (as a result of what happened in said bathtub and Develuke customs,) her sometimes erratic technology and the snags and snarls of intergalactic politics and intrigue are still causing major problems. That transporter? Yeah, it still has the nasty habit of leaving the clothes behind. Alien bounty hunters? Yep, even more of them and they're even more devious. Add body switches, alien skunks, a bathroom that changes size and shape, the inevitable sleepover that you just know it's going to go horribly, horribly wrong, and worst of all, Valentine's Day, and even in space you'll be able to hear Rito scream! Love takes a quantum shift into the wrong gear and the star brakes are broken in the extra-special, extra-crazy extraterrestrial romance to end them all, *To Love Ru—The Complete Season Two*! Now in high definition! (STK640181) (C: 0-1-1)

GODZILLA vs THE SEA MONSTER!
EBIRAH, HORROR OF THE DEEP

EBIRAH, HORROR OF THE DEEP

From Kraken Releasing. When Ryota's brother Yata disappears at sea, the intrepid youth and his friends join forces with a slightly trustworthy bank robber, steal a boat and go after him! Of course, there's the little problem that Yata may be lost on a mysterious island where the evil terrorist organization Red Bamboo has enslaved natives to make heavy water for nefarious purposes. And that means dealing with the island's monstrous, 164-feet-tall guardian Ebirah, as well as Red Bamboo's arsenal of super advanced weaponry. On the plus side, help may be at hand in the form of a nubile island girl, two tiny fairies, their giant protector Mothra and the Big G himself, the mighty Godzilla. Surviving the results of all that "assistance" may not be guaranteed, but Red Bamboo will never want to tangle with teenagers *and* Godzilla at the same time again! Take a South Seas cruise to non-stop mayhem and giant monster destruction with *Ebirah, Horror of the Deep*! Available in Blu-Ray and DVD formats. (STK640169) (C: 0-1-1)

GODZILLA ON MONSTER ISLAND!
GODZILLA VS. GIGAN

GODZILLA VS. GIGAN

From Kraken Releasing. When alien invaders, plans for a children's theme park and four giant monsters with six heads between them all collide, the result is the inevitable battle for the fate of the Earth. At least, that's how it is for Godzilla, who teams up with his former spiky foe Anguirus for a tag team match against two of his greatest adversaries: the legendary three headed King Ghidorah and Gigan, the cyborg hench-monster for insidious insect aliens whose plot to wipe out all human life is cleverly disguised as plans for the construction of a new children's theme park. Unfortunately for the bug's diabolical designs, their secret monster control codes are accidentally discovered by comic book artist Gengo Kotaka, who broadcasts the master tape and brings Team Godzilla into play. It's not going to be an easy fight, though, as the odds are four heads to two, and King Ghidorah's one of Godzilla's toughest opponents. With his cybernetic weaponry Gigan is equally ruthless, and his alien masters are as hard to kill as the cockroaches they resemble. Will Earth's biggest defenders finally fall? Or will Godzilla, and insecticide, triumph over all? Available in Blu-Ray and DVD formats. (STK640171) (C: 0-1-1)

GODZILLA VS. HEDORAH

GODZILLA VS. HEDORAH

From Kraken Releasing. Forget about acid rain and global warming! The worst ecological nightmare is actually Hedorah, which starts off small but quickly mutates into a giant flying monster capable of wiping out all life on whatever unfortunate planet it lands on! And since Hedorah grows by consuming the toxic gases and chemicals mankind has spilled into the air and water, in the early 1970s that means that its potential growth is unlimited! Fortunately for the human race, the Earth has an ultimate green defender who doesn't need to sing protest songs or try to enact new laws to get things done. Because nobody, and nothing, can stop Godzilla when he decides to push an environmental issue, and while Hedorah may be the dirtiest opponent Godzilla has ever faced, his name is going to be mud by the time he's been stomped into the whole Earth a few dozen times. Get ready for the wildest Godzilla® film ever as the social concerns and way out fashions of the seventies collide head on with the ultimate in big monster brawls! SCI FI

FARSCAPE: THE COMPLETE FOURTH SEASON

From Flatiron Film Company. The final season of the groundbreaking sci-fi series! A great deal of time passes between Seasons Three and Four, which helps develop the show's extraordinary characters even more fully. More recent additions to the crew — including Noranti and Sikozu, as well as a shocking former enemy — play major roles in a series of thrilling, surreal, and nearly lethal adventures. As each season has raised the stakes for the crew, this season raises the stakes for the universe itself, with a series of escalating dangers that threaten not only the Farscape galaxy, but Crichton s home galaxy as well. Season Four features some of the most imaginative science fiction seen in the series so far, while always remaining true to the extraordinary characters, passionate chemistry and whip-crack dialogue that have become *Farscape* signatures. Special Features include: "Memories of Moya": An Epic Journey Explored documentary featuring the cast and crew reminiscing about the experience and legacy of the sci-fi classic; *Farscape: The Story So Far* clip reel; *From The Archives: On The Last Day Farscape Wrap Speech* from David Kemper; three *Inside Farscape* featurettes: *Villains, Visual Effects* and *Save Farscape*; 3 Audio Commentaries; "Listening In" with Composer Guy Gross for 4 Episodes; Video Profiles of Creator/Executive Producer/Writer Rockne S. O'Bannon and Executive Producer/Writer David Kemper; Deleted Scenes. Available in Blu-Ray and DVD formats. (STK640238) (C: 0-1-1)

THE ORIGIN OF IAN SPARKS

SPARKS: THE ORIGIN OF IAN SPARKS

From RLJ Entertainment. After a radioactive meteor strikes Earth, a genetically altered group known as the "Rochester 13" gain astonishing, superhuman powers. Ian Sparks (Chase Williamson of *John Dies At The End*) doesn't feel remotely super... but after his parents' death, he throws himself into battle against the criminals plaguing the mean streets of New York. Teaming up with, and falling hard for, the beautiful Lady Heavenly (Ashley Bell of *The Last Exorcist I & II*), the unstoppable duo quickly decimates the city's army of thugs. But when they tangle with the nation's most twisted arch-villain, they end up losing everything — including each other. Sparks' rage-fueled quest for vengeance ignites a battle that will change the world and alter his destiny, forever. Also starrring Clancy Brown (*Highlander*), Clint Howard (*Apollo 13*), and William Katt (*Greatest American Hero*). (STK640148) (C: 0-1-1)

ORIGINAL GAME SOUNDTRACK

FORBIDDEN WORLD ORIGINAL SOUNDTRACK

From Death Waltz Recording Company. Death Waltz Recording Company are proud to be unleashing one of the great unheralded electronic scores. Unavailable since the film's release in 1982, Susan Justin's music for *Forbidden World* — produced by the legendary Roger Corman — mixes the electronic influences of the time with splashes of new wave, creating a score that fuses the eerie tonalities and avant-garde sensibility of *Alien* with the straight-up funk of *Assault On Precinct 13*. Birthed from this is a cult-classic score that deserves to be held up alongside the works of Richard Band and Alan Howarth! What immediately stands out from the score is the amazing main theme, a melodic groove firmly embedded in the '80s synth movement, complete with creepy vocal effects overlaying its driving keyboard line. Originally a parody that Corman turned into a straight horror, the score is used typically to create tension with isolated piano and harsh electronic tones, acting as a stereotypical precursor to the horror moments. Amidst all this is also the "Blaster Beam," a unique instrument famous for its use in Jerry Goldsmith's *Star Trek - The Motion Picture*. A fantastic voyage amongst the stars full of offbeat melodies and alien tones, this is a musical world that demands multiple visits. (STK640020) (C: 0-1-1)

MANIAC: ORIGINAL SOUNDTRACK
From Death Waltz Recording Company. The soundtrack to 2012's critically-acclaimed slasher hit, available to retail for the first time ever! As is with many genre scores of recent times, Rob's score is heavily indebted to the synth sounds of the '80s. It's a really striking piece of work, absolutely grimy and sleazy and appropriately murderous, but with a real sense of melody. Behind the echoing electronics, there are flickers of humanity and even regret. But Rob also presents moments of euphoria, cemented with the floor-shaking finale 'Juno', with Chloe Alper's amazing Goldfrapp-esque vocals. Magnificent! LP pressed on 180 gram frosted clear wax, and packed in black polysleeve. The LP comes housed in a heavyweight tip-on gatefold casebound sleeve along with a giant fold-out poster and liner notes from composer Rob and album cover artist Jay Shaw. (STK641588) (C: 0-1-1)

MS. 45 ORIGINAL SOUNDTRACK
From Death Waltz Recording Company. Like Abel Ferrara, Death Waltz Recording Company are not prone to shying away from the more extreme corners of culture, and are delighted to be presenting a true underground classic for the first time ever. Ferrara's pictures often tread the line between grindhouse trash and art films with insightful social commentary — and unflinching realism — and *Ms. 45* is his most notorious film, with much of its power coming from Joe Delia's grimy yet haunting music. A sparse piano motif initially creates a lonely voice for the (mute) heroine but it's overshadowed by wailing trumpet, electric guitar, and menacing synths that paint a disturbing musical picture of the world she inhabits. Delia's music is so great at creating a vivid image in your head and you begin to imagine the grubby streets, the sleazy sex shops, the leering onlookers, with it building and building until it reaches sensory assault. The instruments sound as violent as the acts on screen, as loud synth stings ring out like gunshots, edgy jazz beats unnerve you, and a repeating brass motif becomes a theme for violence and vengeance — even during the awesome "Dance Party". You may need a shower after listening, but you'll be right back to play it again and again. Incredibly this soundtrack has never been released in any format. We went back to the original master tapes and worked with composer Joe Delia to clean up the original elements. (STK640022) (C: 0-1-1)

STAR WARS: EPISODE 1—THE PHANTOM MENACE ORIGINAL SOUNDTRACK
From I Am Shark. For the very first time ever on limited edition vinyl comes the original soundtrack to *Star Wars Episode 1: The Phantom Menace*, scored by legendary composer John Williams and performed by the London Symphony Orchestra! The original album was released to accompany the film (May 4, 1999). This release was certified Platinum in the U.S. and Gold in the UK, containing 17 tracks from selections of the score, meant to stand alone as a separate listening experience and not as one hears the score in the film. John Williams edited each track to present the score as one would hear it in a concert suite. Recorded in Abbey Road studios over a week, starting on February 10, 1999 performed by the London Voices and London Symphony Orchestra, *Star Wars Episode I: The Phantom Menace* was the first *Star Wars* score Williams had composed in over 16 years. The scores of the following two films would rely heavily upon tracking from this score, a decision that Williams and George Lucas had made early into production of the film. TRANSCENDENCE
From Warner Bros. Pictures. From the mind of Academy Award-winning cinematographer Wally Pfister (*Inception*, *The Dark Knight Trilogy*) comes his directorial debut. Dr. Will Caster (Johnny Depp) is the foremost researcher in the field of Artificial Intelligence, working to create a sentient machine that combines the collective intelligence of everything ever known with the full range of human emotions. His highly controversial experiments have made him famous, but they have also made him the prime target of anti-technology extremists who will do whatever it takes to stop him. However, in their attempt to destroy Will, they inadvertently become the catalyst for him to succeed — to be a participant in his own transcendence. For his wife Evelyn (Rebecca Hall) and best friend Max Waters (Paul Bettany), both fellow researchers, the question is not if they can… but if they should. Their worst fears are realized as Will's thirst for knowledge evolves into a seemingly omnipresent quest for power, to what end is unknown. The only thing that is becoming terrifyingly clear is there may be no way to stop him. Combo Pack includes Blu-Ray and DVD formats. Also available in standard DVD format. (STK640747) (C: 0-1-2)

OCULUS
From Relativity Media. From the producer of Paranormal Activity and Insidious! Ten years ago, tragedy struck the Russell family, leaving the lives of teenage siblings Tim (Brenton Thwaites) and Kaylie (Karen Gillan of *Doctor Who*) forever changed when Tim was convicted of the brutal murder of their parents. Now in his 20s, Tim is newly released from protective custody and only wants to move on with his life; but Kaylie, still haunted by that fateful night, is convinced her parents' deaths were caused by something else altogether: a malevolent supernatural force — unleashed through the Lasser Glass, an antique mirror in their childhood home. Determined to prove Tim's innocence, Kaylie tracks down the mirror, only to learn similar deaths have befallen previous owners over the past century. With the mysterious entity now back in their hands, Tim and Kaylie soon find their hold on reality shattered by terrifying hallucinations, and realize, too late, that their childhood nightmare is beginning again… Available in Blu-Ray and DVD formats. CAPTAIN AMERICA: THE WINTER SOLIDER
From Marvel Studis & Walt Disney Pictures. After the cataclysmic events in New York with *The Avengers*, Marvel's *Captain America: The Winter Soldier* finds Steve Rogers (Chris Evans), living quietly in Washington, D.C. and trying to adjust to the modern world. But when a S.H.I.E.L.D. colleague comes under attack, Steve becomes embroiled in a web of intrigue that threatens to put the world at risk. Joining forces with the Black Widow (Scarlett Johansson), Captain America struggles to expose the ever-widening conspiracy while fighting off professional assassins sent to silence him at every turn. When the full scope of the villainous plot is revealed, Captain America and the Black Widow enlist the help of a new ally, the Falcon (Anthony Mackie). However, they soon find themselves up against an unexpected and formidable enemy — the Winter Soldier. Combo Pack includes Blu-Ray and DVD formats. Also available in standard DVD format. ARMOR HUNTERS

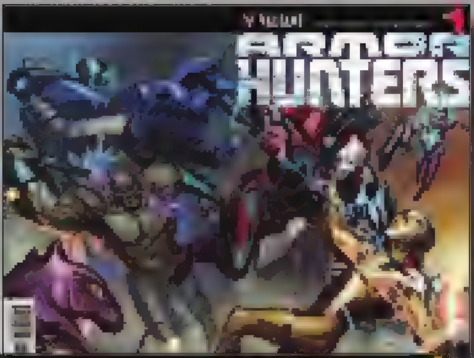
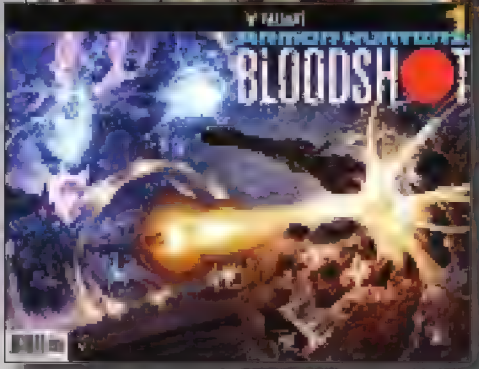
During the first run of the Valiant heroes, special "chromium" covers wrapped up some of their most important titles and issues. Now, with the onset of their *Armor Hunters* crossover event, Valiant is once again giving the fans what they want: Chromium! Valiant's own Fred Pierce spoke with ***PREVIEWS*** to discuss the return of this cover enhancement, and why the *Armor Hunters* crossover was the story that finally made it all happen!

FLIP*side*





***PREVIEWS*: Valiant is a company with a long history of innovation, including the very first chromium covers. What made** Armor Hunters **the ideal place to bring it back?**

Fred Pierce: Everything we do at Valiant comes out of the storytelling in our books. When we looked at how the size and scale of the ***Armor Hunters*** crossover was shaping up, we automatically knew that chromium would be the perfect addition to an already explosive storyline. What better way to celebrate the story of the universe's five most powerful, armor-hunting foot soldiers making their way to Earth to take on X-O Manowar?

It's just a perfect way to make these five, tremendously important opening chapters of the ***Armor Hunters*** saga — **Armor Hunters #1** (of 4), **Unity #8**, **X-O Manowar #26**, **Armor Hunters: Bloodshot #1** (of 3), and **Armor Hunters: Harbinger #1** (of 3) — leap off the shelf.

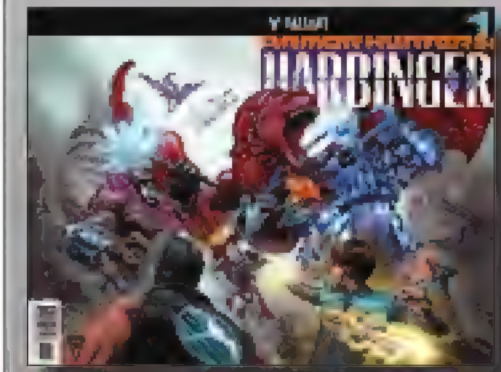
Since we announced the return of Valiant with **X-O Manowar #1** nearly two years ago, we've been approached by hundreds of fans and retailers who wanted to see chromium again — it is something that many, many fans still have a tremendous affinity for. As you mentioned, Valiant introduced chromium to comics and it's very much a part of our legacy. We could have brought it back in 2012, but we specifically wanted to wait because — as a storytelling driven company — we wanted to ensure that it would tie back to the story we were waiting to tell. ***Armor Hunters*** is that story.

It's a proven fact that any kind of cover enhancement — be it gatefolds, wraparounds, or a more extensive process like chromium — just isn't worth doing if the story isn't there to support it. And we think that once you crack open **Armor Hunters #1**, you'll see what we've known all along — that ***Armor Hunters*** and chromium are a match made in heaven!

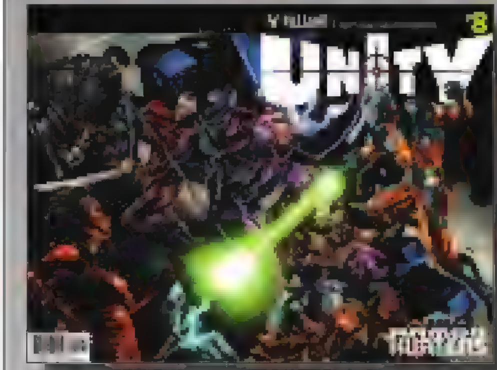
P: With eight titles launched in just under three years, the return of Valiant has been an incredible success. How does* Armor Hunters *and a promotional initiative like chromium fit into Valiant's plans for the future?

FP: The Valiant re-launch has been called the most successful debut by a new publisher in more than a decade, and we're certainly grateful. But we're not content. We've carefully managed our growth, managing to sidestep a second-year slump, while building a strong and steady foundation for the future. And year three might just be our most ambitious yet.

Now that most of our characters' origins have been fully fleshed out from a creative standpoint, we're devoted, now more than ever, to expanding our readership and bringing new fans into the fold. That's the primary focus of our new Valiant First publishing initiative — the recently announced rollout that includes the ***Armor Hunters*** titles. From the release of **Rai #1** this May onward, we'll be delivering a major new #1 each month, specifically designed to bring new readers into Valiant. However, we're also well aware that sometimes a #1 alone isn't enough, and a compelling, story-based enhancement like chromium is another effective way to grab casual readers by the shirt collars. It's our hope that each one of the five chromium titles we're offering will become a gateway to introduce a new legion of fans to the Valiant brand of storytelling.



The real test for an enhancement like chromium is whether it's given paramount importance over the story it's supposed to be supplementing. That's where most publishers ran into trouble in the '90s. However, our chief concern when considering where and when to use chromium was whether or not we had a story that was bold enough to match it. We're confident that we do with ***Armor Hunters***. The old cliché of *"nothing will ever be the same again"* gets thrown around a lot when it comes to comic book events, but we're deadly serious when we say it here. In terms of both intensity and sheer size, ***Armor Hunters*** is something that will redefine readers' expectations of what Valiant is capable of.



P: How did you go about researching, sourcing, and manufacturing these new chromium covers? How they will compare to the classic covers most of us know and love?

FP: Between myself and the rest of the Valiant production team, we've spent hours and hours making sure that we get every facet of these five covers 100 percent perfect. From locating the right kind of high-quality plastic to discussions with the printer on the process to getting the line art properly isolated, it has been a massive undertaking. We spent a great deal of time examining other recent examples of the chromium process, identifying their strengths and weaknesses, and comparing them to the original chromium covers that everyone remembers fondly.

When we were deciding to undertake this project, we always said that if we were going to bring chromium back to Valiant, we were going to bring it back the right way. And it's all been worth it. They're simply beautiful and we can't wait for the fans to see them themselves this June. But since the process is so labor-intensive, all of the covers have in fact already been printed – so if you come see us at a convention between now and then chances are you'll be able to get a sneak peek!

P: Valiant is well known for delivering new and outside-the-box marketing and promotional vehicles for its comics — "talking" and "animated" covers being a few of the most recent examples. Is this a conscious component of Valiant's efforts in the marketplace?

FP: It's an incredibly important component of what we do. Even with Valiant's long history in the industry, we knew that many readers would be encountering our characters for the very first time when we re-launched in 2012. In trying to showcase our characters to new readers, we introduced several innovative initiatives, like our QR code "talking" covers and the animated 8-bit cover for **Unity #1**. Things like that have been extremely effective at enticing new readers who might otherwise have thought that they had no interest in our titles. From first to last, everything we do is based on the steadfast belief that we're publishing some of the best comics in the industry today. We'll do anything and everything we can to make sure they get the attention they deserve.

We've built a reputation as a publisher that tells fresh, exciting superhero stories as well as anyone else on the stands. To get those titles into the hands of new readers, we do our darnedest to make sure those titles get noticed. And sometimes, when we have a chance to innovate with something that takes those stories one step further, we welcome the challenge. Any chance we have to bring a new dimension to the page is usually a chance worth taking.

We think chromium does just that for ***Armor Hunters***, but it is far from the only promotion we have in store. With several more Valiant First titles just around the corner — **Rai #1**, **The Delinquents #1**, **Death-Defying Dr. Mirage #1** and more — look for a new wave of similarly exciting and attention-grabbing strategies to keep making headlines over the next several months. 2014 will be the year that we get fans reading Valiant First.

P: Is there anything else that direct market retailers should know about* Armor Hunters *and the* Armor Hunters Chromium Editions*?

FP: Given the lead time necessary to produce the five special ***Armor Hunters*** Chromium Edition covers, all five have already been printed in order to make the release date for **Armor Hunters #1** in June. That means that there's a large but finite number that will be in circulation, and we expect demand to be significant. Fans who want to ensure that they can get ***Armor Hunters*** Chromium Editions from their local comic shop should make sure to submit pre-order requests and pullbox subscriptions before the initial order deadline in April for titles being released in June.

In addition to chromium, Valiant is also offering a robust array of sales incentives to retailers for **Armor Hunters #1** (of 4), **Unity #8**, and **X-O Manowar #26** in this month's catalog. See the Valiant listings and this month's Order Form for more details!

On sale June 25	FC, 32 pages
$3.50	Ongoing

Since the very start, Mary's been a mystery at best—and at worst, an unstable and potentially dangerous presence. With the *Kapital* waiting off the coast of Morocco, and signs that perhaps the Crash was only a prelude to something bigger, the secrecy surrounding Mary starts to reveal itself.

"Comic book fans should jump on immediately."—Unleash the Fanboy

A legendary series of diecast metal robot toys that debuted in 1974 with the smash-hit "Mazinger Z." Utilizing diecast metal for unparalleled weight, sheen, and sheerpresence, the toys also feature missile-launchers and complex combination and transformation gimmicks. The Chogokin series pioneered the concepts, designs, and play features of robot toys.

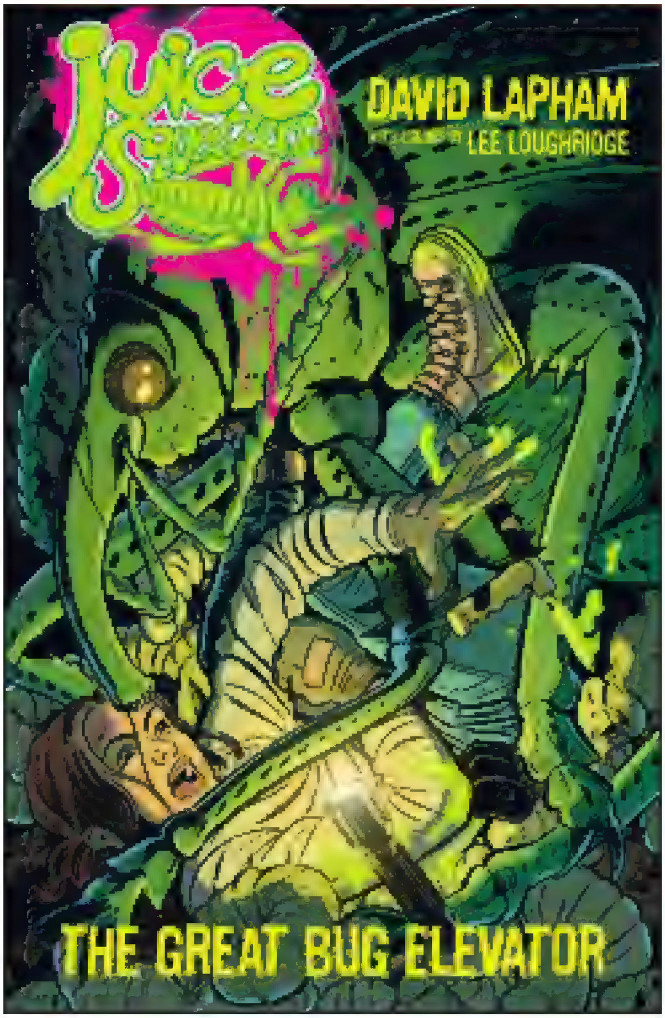
LAPHAM'S FIRST ALL-AGES ROMP!



JUICE SQUEEZERS VOLUME 1: THE GREAT BUG ELEVATOR TP

David Lapham (W/A/Cover) and Lee Loughridge (C)

On sale Aug 6	FC, 128 pages
$12.99	TP, 6" x 9"

Tunnels made by a legion of giant bugs crisscross the fields below Weeville, and only one thing can stop them from overrunning this quaint California town: the Juice Squeezers. A covert group of scrawny tweens, the Squeezers are the only ones who can fit into the cramped subterranean battlefield and fight the insects on the frontlines! Collects stories from *Dark Horse Presents* #26–#28 and issues #1–#4 of the miniseries.

- **A new series from Eisner Award winner David Lapham (*Stray Bullets*, *The Strain*).**

***"Juice Squeezers is a lot of fun with a grotesque edge, a series that kids can read, but probably shouldn't if it's close to bedtime."*—The Onion's A.V. Club**

On sale July 30

LINK FIGURE
Packaged in gatefold window box. $79.99

GANONDORF FIGURE
Packaged in gatefold window box $124.99

Link is the main protagonist of the *Legend of Zelda* series. Adept with his sword, The Master Sword, he evolves through various versions of the game. This figure depicts Link as he appears in *Twilight Princess*.

“Ganondorf was the leader of a band of thieves who invaded Hyrule in the hopes of establishing dominion over the Sacred Realm. He was known as a demon thief, an evil-magic wielder renowned for his ruthlessness . . . ”—Ancient Sage

The Link figure measures 10" high on its sculpted base, and the Ganondorf figure measures 12". Each is meticulously detailed and has been approved by Nintendo in Japan. Dark Horse has been named the exclusive North American distributor.

Not final. Pending licensor approval.
Sales limited to North America only.
